Re: Request for Oral Hearing on Proposed Amendment to Rule 870-RICR-30-00-8

Dear Mr. Walker,

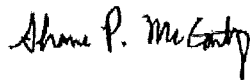

For 20 years Enhance Capital has worked with small businesses underserved by traditional sources of capital. We have a proud legacy of helping these businesses grow and create jobs. We believe that the Rhode Island Small Business Development Fund program will have a positive impact on entrepreneurs across the state. To that end, we respectfully request that the Commerce Corporation hold an oral hearing regarding the proposed amendment to rule 870-RICR-30-00-8, consistent with the public participation provisions of the Rhode Island Administrative Procedures Act (RIGL §42-35-2.8).

Thank you for your attention to the matter and please do not hesitate to let us know if you have any questions.

Sincerely,

Michael Korengold
