[Report Suspicious](#)

This states we will be required to open the electrical panel, is this reversing the prior regulation that only licensed electricians can preform these inspections?

**Subject:** For Clarification: RI Contractors' Registration and Licensing Board – Proposed Regulations

Good morning,

For your clarification, additional links have been provided below:

Please be advised that the Rhode Island Contractors' Registration and Licensing Board (CRLB) has proposed the amendment of the following regulations:

- 440-RICR-10-00-05 Rules and Regulations for Home Inspectors and Associate Home Inspectors

The proposed regulations maybe found at the following link: [Rules and Regulations for Home Inspectors and Associate Home Inspectors - Rhode Island Department of State.](#)

<https://rules.sos.ri.gov/Promulgations/Part/440-10-00-5> or <https://rules.sos.ri.gov/Regulations/Part/440-10-00-5>. Click on the name of each regulation/code for more information. Click on the “Rulemaking Documents” tab on each regulation where you will find a summary of the regulation by clicking on “Public Notice of Proposed Rulemaking.”

The CRLB is accepting written comments on the proposed regulations through January 2, 2026. Please send your comments to [dbr.dirofficeinq@dbr.ri.gov](mailto:dbr.dirofficeinq@dbr.ri.gov), or via mail addressed to Hannah Pfeiffer, 1511 Pontiac Avenue, Bldg. 69-1, Cranston, RI 02920. Email is strongly preferred.

NOTE: All public comments received on any regulation are considered public records and will not be redacted. If you do not want your personal information to become public, do not include that information with your public comment.
