Date of Public Notice: 09/11/2018

Authority for this Rulemaking:

R.I. Gen. Laws § 42-14.5-1 et seq., 42-14-5, 42-14-17, 27-18-8, 27-18-8.4, 27-19-6, 27-20-6, 27-41-29.2, and 42.62-12(b)(4).

Summary of Rulemaking Action:

This regulation, formerly known as OHIC Regulation 17, applies to all insurers issuing health benefit plans in Rhode Island. While reformatting for incorporation into the RICR, OHIC identified some technical non-substantive changes reflected in the attached proposal. In addition, the following changes have been made.

- Updated internal cross references for new RICR numbering.
- § 15.2(B) – deleted referenced to OHIC Reg 1 which was just repealed. The reference is no longer necessary.
- § 15.4(A)(1) – updated dates for filing of insurance plan forms. Original dates were from the implementation of the Affordable Care Act.
- § 15.4(E)(3)(h) – deleted out of date reference to letter from former director of DOH.
- § 15.4(E)(3)(i), 15.4(I)(2and3) – removed references to DOH regulations because the Certification of Health plans has been transferred from OHIC to DOH, effective 1-1-18. See. RIGL Chapter 27-18.8. Updated terminology to reflect statutory language in Chapter 27-18.8.
- § 15.4(H)(original numbers) – Deleted this paragraph because it is out-of-date and inconsistent with other requirements.

- § 15.5(A)(1) - Updated dates for filing of insurance plan rates, rating formulas, and rate manuals. Original dates were from the implementation of the Affordable Care Act.

The Department does not expect these proposed amendments to be controversial.
