2.5 Requirements for Trust Agreement

- D. The deed of trust may provide for the withdrawal of Trusteed Assets for deposit in another state in which the insurer is authorized to do business, if, in lieu of

approval by the Commissioner, the deed of trust requires prior written approval of the insurance supervising official of that state for withdrawal of Trusteed Assets, provided that the total Trusteed Assets would not thereby be less than the amount required to be maintained pursuant to § 2.4 of this Part. In any event the deed of Trust shall require the United States Branch to promptly notify the Commissioner in writing of the nature and extent of all withdrawals.

- E. The Commissioner may from time to time approve or require modifications of, or variations in, any deed of trust, which in the Commissioner's judgment are not prejudicial to the interests of the people of this state or the United States policyholders and creditors of the United States Branch.

3. Any additional information that the Commissioner may require relating to the total business or assets, or any portion thereof, of the Alien Insurance Company.
- B. The annual statement and Trusteed Surplus statement shall be signed and verified by the United States manager, attorney-in-fact, or a duly empowered assistant United States manager, of the United States Branch. business will not be prejudicial to the best interests of the people of this state;
