Subject: [EXTERNAL] : Public Comment for Revisions "General Definition Regulation"

Dear Ms. Slattery,

This is my official public comment concerning the revisions of "General Definition Regulation (250-RICR-120-05-0).

However, my comment is in regard to a portion of the regulation that has not been revised. Under the "Definitions", #46 (VOCs that are exempt compounds), "nn", "oo", "pp" only list the VOC's chemical formulas. My suggestion/comment is to include the scientific chemical names of those 3 VOCs.

Thank you.

Sincerely,

Stephanie Sloman
