RE: Architectural and Industrial Maintenance (AIM) Coatings; Fire Resistive Emission Limit; ACA Comments

Dear Karen:

The American Coatings Association (ACA)¹ submits the following comments on the proposed rule to add an emissions limit for Fire Resistive Coatings. ACA appreciates your actions and supports the rulemaking.

Thank you for your consideration of our comments. Please do not hesitate to contact us if you have any questions.

Sincerely,

/s/

David Darling
Vice President, Health, Safety and Environmental Affairs

¹ The American Coatings Association (ACA) is a voluntary, nonprofit trade association working to advance the needs of the paint and coatings industry and the professionals who work in it. The organization represents paint and coatings manufacturers, raw materials suppliers, distributors, and technical professionals. ACA serves as an advocate and ally for members on legislative, regulatory, and judicial issues, and provides forums for the advancement and promotion of the industry through educational and professional development services.
