Authority for this Rulemaking:

Summary of Rulemaking Action:

There are several objectives to these proposed changes:

1. To include statutory changes to definitions of solid waste and Construction and Demolition Debris Separation Facilities and other changes to solid waste statutes.
2. To reinstate some fees, previously in the regulations were inadvertently omitted when the regulations were re-codified in 2018.
3. To allow landfills to reduce air monitoring frequency under certain conditions.
4. To allow solar panel systems to be placement on landfill caps as part of a final cover system approved by the Office of Land Revitalization and Sustainable Materials Management without requiring separate wetlands and stormwater permit applications
5. To incorporate statutory changes to siting requirements as they relate to local zoning approval
