TITLE 250 – DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

CHAPTER 90 – MARINE FISHERIES

SUBCHAPTER 00 – N/A

PART 2 – Commercial Marine Fishing Licenses, Landing Permits, and Party and Charter Licenses

2.1 Purpose

The purpose of these Regulations is to establish a process for managing marine fisheries, through the development of management plans and programs, licensing protocols, and data collection systems.

2.2 Authority

These Regulations are promulgated pursuant to R.I. Gen. Laws Chapters 42-17.1, 20-2.1, and 20-2.2, R.I. Gen. Laws § 20-1-4 and in accordance with R.I. Gen. Laws Chapter 42-35, the Administrative Procedures Act.

2.3 Application

The terms and provisions of these Regulations shall be liberally construed to permit the Department to effectuate the purposes of State law, goals, and policies.

2.4 Severability

If any provision of these Regulations, or the application thereof to any person or circumstances, is held invalid by a court of competent jurisdiction, the validity of the remainder of the Regulations shall not be affected thereby.

2.5 Superseded Rules and Regulations

On the effective date of this Part, all previous Regulations, and any policies regarding the administration and enforcement of R.I. Gen. Laws Chapters 20-2 ("Licensing"), 20-2.1 ("Commercial Fishing Licenses"), and 20-3.1 ("Marine Fisheries Management Modernization"), shall be superseded, provided that Regulations promulgated by the Director or the Rhode Island Marine Fisheries Council pursuant to R.I. Gen. Laws Chapter 20-3 ("Marine Fisheries Council"), will remain in effect until amended or replaced. Provided, furthermore, that any enforcement action taken by, or application submitted to, the Department prior to

the effective date of these Regulations shall be governed by the Regulations in effect at the time the enforcement action was taken or application was filed.

2.6 Definitions

See Part [1](#) of this Subchapter.

2.7 Commercial Fishing Licenses

2.7.1 General Applicability

- A. No person shall catch, harvest, hold, or transport for sale in Rhode Island or in the marine waters of Rhode Island any marine species without a license issued by the Director pursuant to these regulations and Part 7 of this subchapter.
- B. Exemptions. A license is not required for the following:
 - 1. Crews assisting in direct commercial harvest operations for all commercial fisheries except shellfish, regardless of the manner, method, or contrivance employed, as long as said crew is/are located onboard a commercially declared vessel that is owned by an individual issued a valid commercial Multipurpose Vessel License, or operated by an individual who possesses a valid and proper commercial fishing license and is/are under the direct supervision and responsibility of said a vessel operator issued a valid permit by the Department or properly licensed commercial fisher.
 - 2. Crews assisting only with culling activities and other indirect harvest operations with respect to commercial shellfish operations, while said crew is/are located onboard a commercially declared vessel that is owned by an individual issued a valid commercial Multipurpose Vessel License, or operated by an individual who possesses a valid and proper commercial fishing license and is/are under the direct supervision and responsibility of said a vessel operator issued a valid permit by the Department or properly licensed commercial fisher.

2.7.2 General Provisions

- A. A license must be signed by the party to whom it is issued in order to be valid.
- B. Licenses may not be transferred to or used by any person to whom the license is not issued.
- C. Submission of application does not constitute a valid license.
- D. All fees must have been paid for a license to be valid.

- E. A lost or accidentally destroyed license may be replaced for a fee of ten dollars (\$10.00), provided that the applicant submits an affidavit to the Department explaining the circumstances of the loss.
- F. Notice of change of address. Whenever any person holding any commercial fishing license shall move from the address named in his or her last application, that person shall, within ten (10) days subsequent to moving, notify the Office of Boat Registration and Licensing of his or her former and current address. Any notice will be sent by regular mail to the mailing address given on the license holders last license application or change of address form.
- G. Expiration. Unless otherwise specified, all licenses issued pursuant to this Part shall expire on December 31 annually. It shall be unlawful for any person or vessel to fish commercially in the marine waters of Rhode Island on an invalid license.
- H. New licenses shall be available for issuance upon application beginning January 1, annually.
- I. Every license holder shall have their valid license in possession at all times while engaged in the licensed activity and shall present the license for inspection on demand by the Director. Every vessel issued a Multipurpose Vessel License shall have their vessel operator permit issued by the Department and Multipurpose Vessel License on board the vessel at all times while engaged in the licensed activity and shall present the operator permit and license for inspection on demand by the Director.
- J. Commercial Landings History: Commercial landings history shall be established based on the commercial fishing records ascribed to the natural person to whom the license is issued.

2.7.3 License Types, Fees, and Applicability

- A. Resident licenses
 - 1. Standard Resident License. Authorizes the commercial harvest of marine fisheries by residents pursuant to the fishery endorsement held.

Sales of shellfish and finfish to anyone other than licensed dealers are prohibited. No person shall sell live lobsters and crabs directly to consumers at dockside without holding a valid Dockside Sales Endorsement issued by the Director.
 - b. Only the licensee/permittee, or a regularly employed crew member of the licensee/permittee, may sell lobsters and crabs at dockside under the Dockside Sales Endorsement. To be eligible to conduct such sales, a crew member must first receive written authorization from the licensee/permittee. Such authorization shall be in the form of a type-written statement, signed and dated by the licensee/permittee that expressly authorizes the crew member to act on behalf of the licensee/permittee with regard to dockside

sales. The statement shall further specify: the name of the crew member, the name of the vessel from which the sales are conducted, and the month and year that the crew member began working on the vessel. The statement shall be kept on the vessel and be available at all times for inspection by Department personnel. A crew member who is acting on behalf of a licensee/permittee must comply with all applicable Regulations governing dockside sales, as set forth herein, and the licensee/permittee shall be responsible for any violations of Regulations by the crew member.

- c. Licensees/permittees offering live lobsters and crabs for sale at dockside must meet all applicable and current Federal and State laws and Regulations governing harvest and possession relating to the species being sold.
 - d. Licensees/permittees offering live lobsters and crabs for sale at dockside must meet all applicable and current Federal, State, and local laws and Regulations governing retail sales operations, including but not necessarily limited to those governing taxation, signage, noise, and hours of operation.
 - e. Licensees/permittees offering live lobsters and crabs for sale at dockside may only sell live lobsters and crabs that they harvested, and all sales must be made from the vessel that harvested the product, unless otherwise authorized by the Director.
 - f. Sales at dockside may only be to the final consumer – i.e. the individual(s) who will be consuming the product - and no resale of, or commercial transaction involving, the product beyond the final consumer is authorized.
 - g. Licensees shall include, on all landing reports and other data submitted to the National Marine Fisheries Service and/or the Department, the lobsters and crabs offered for sale at dockside to the general public.
 - h. Application for a Dockside Sales Endorsement is not subject to an application deadline.
3. Research Set Aside Endorsement: Authorizes the landing of marine species for sale in Rhode Island in accordance with RSA quota obtained from the National Marine Fisheries Service. Both the endorsement and the permit must be obtained prior to the landing of RSA quota for State quota monitored species in Rhode Island.

 - b. In cases where dockside sales reports are being used to meet the standard of Actively Fishing, additional documentation may be required to demonstrate fishing activity, including, but not limited to, the following: receipts pertaining to the live sales of lobsters and/or crabs to consumers; income tax returns; trap tag orders; and receipts pertaining to purchases of fuel, bait, and other supplies.
 - c. In cases where a person holds both a Landing Permit and a Standard Resident or Non-Resident License concurrently issued by the Department, dated transaction records established in SAFIS which are recorded on a license holder's Landing Permit may be

considered for the demonstration or verification of the activity standard.

- d. In cases where a person previously held a Commercial Fishing License (CFL) or Principal Effort License (PEL) that was changed to a Standard Fishing License as of January 1, 2023 due to the commercial fishing license re-structure, documented landings applied to the current Standard Fishing License and former Commercial Fishing License or Principal Effort License shall be used to satisfy determine if the standard of Actively Fishing is met.

3. Issuance of a new license to resident family members in cases of Incapacity: To meet the standard of Actively Fishing, landings must have occurred in at least two (2) consecutive calendar years within the last ten (10) years.
4. Issuance of a new license upon sale of a license holders vessel and/or gear: To meet the standard of Actively Fishing, the required forty (40) landings must have occurred in the previous two (2) calendar years, with landings occurring in one (1) or both of those calendar years.
5. Student Shellfish License holders who become ineligible to renew their license due to age after holding the license in the immediately preceding year: To meet the standard of Actively Fishing, the required forty (40) landings may need only occur during the year the license was held.

B. Actively Participating

1. General: Refers to prioritization criteria for the issuance of new licenses.
2. To meet the standard of Actively Participating, a crew must be able to demonstrate via one (1) or more affidavits that they have worked as a paid crew for one (1) or more captains licensed in the State of Rhode Island on a vessel that was commercially declared during the period of activity, that had a minimum of forty (40) legal Rhode Island landings in the immediately preceding two (2) calendar years. To be considered a paid crew, persons must demonstrate a valid record of being a paid employee of the vessel owner or person licensed to fish commercially, including either a W-2 form, 1099 form, or paycheck stub from a financial institution for the period of time being used to meet the standard of Actively Participating. Affidavits must reflect activity conducted upon a vessel that was commercially declared during the period of activity.
3. A license holder with a Dockside Sales Endorsement who sells lobster and/or crab landings dockside may utilize documentation other than dated transaction records to demonstrate fishing activity. Such documentation shall include properly recorded and submitted Dockside Sales Endorsement logbook, as well as some or all of the following: receipts

pertaining to the sales of lobsters and/or crabs to consumers; income tax returns; trap tag orders; and receipts pertaining to purchases of fuel, bait, and other supplies. DEM shall determine whether the documentation submitted by the license holder substantiates the landings and associated fishing activity claimed by the license holder.

4. Any application submitted in accordance with this Part that includes inadequate or improper documentation, such as insufficient number or type of transaction records, invalid transaction records, Vessel Trip Reports, or affidavits that have not been notarized, will not be considered. Fraudulent submittals will be referred to the Department's Division of Law Enforcement for further investigation and possible enforcement action. Fraud on the part of any existing license holder, including a captain who signs an affidavit in support of a claim of crew member status that turns out to be false or inaccurate, may result in the suspension or revocation of the license held by the existing license holder.

2.7.6 Prioritization in the Issuance of New Licenses

- A. In those years when a limited number of new licenses or endorsements are available for issuance, the Department shall establish priority to each applicant as follows:
 1. First priority: First (1st) priority shall be established equally as follows:
 - a. Holders of a Standard Resident License with a Limited Endorsement who previously held a Commercial Fishing License (CFL) or Principal Effort License (PEL) and who meet the standard of Actively Fishing in the same fishery sector for which the license holder has applied.
 - b. Holders of a Standard Resident License with an Unlimited Endorsement who previously held a Principal Effort License (PEL) and who meet the standard of Actively Fishing in a fishery sector different than that for which the license holder has applied.
 - c. Resident crew members who meet the standard of Actively Participating in the same fishery sector for which the crew member has applied.
 - d. If in any of these three (3) sub-tiers there are fewer eligible applicants than licenses available for issuance, the balance will be evenly distributed to the other sub-tier. If the selection of qualified applicants cannot be resolved equitably by the initial prioritization and lottery process, and if the number of remaining endorsements cannot be distributed evenly between the remaining tiers, the number of remaining endorsements will be rounded up to provide

each remaining tier with the necessary endorsement(s) required to complete the selection process.

2. Second priority: Second (2nd) priority shall be established equally as follows:
 - a. Holders of a Standard Resident License with a Limited Fishery Endorsement who previously held a Commercial Fishing License (CFL) and who meet the standard of Actively Fishing in a fishery sector different than that for which the license holder has applied.
 - b. Resident crew members who meet the standard of Actively Participating in a fishery sector different than that for which the crew member has applied.
 - c. If in any of these two (2) sub-tiers there are fewer eligible applicants than there are licenses/endorsements available for issuance, then the balance will be distributed to the other tier. If the selection of qualified applicants cannot be resolved equitably by the initial prioritization and lottery process, and if the number of remaining endorsements cannot be distributed evenly between the remaining tiers, the number of remaining endorsements will be rounded up to provide each remaining tier with the necessary endorsement(s) required to complete the selection process.
 3. Third priority: Third (3rd) priority shall be provided to any resident who is:
 - a. An active member of the military
 - b. A military veteran who has been honorably discharged
 - c. A person that holds a valid certificate from an accredited commercial fishing apprenticeship program approved by the Department
 - ~~34.~~ ~~Third Fourth priority:~~ ~~Third (3rd)~~ Fourth (4th) priority shall be provided to any resident aged eighteen (18) or older.
 - ~~45.~~ ~~FourthFifth priority:~~ ~~Fourth (4th)~~ Fifth (5th) shall be provided to any non-resident aged eighteen (18) or older.
- B. All eligible applicants in each priority category will be issued licenses or endorsements before any licenses or endorsements are issued to applicants in the next lower priority category.
- C. Within each priority category, eligible applicants will be prioritized based on the length of time, in years, they have been actively fishing their license, or actively participating in the fishery as a crew member, on a continuing basis.

- D. In cases where an applicant has previously surrendered a license to the Department pursuant to the sale of vessel and/or gear, and the applicant has subsequently acquired a new license, the applicant must have held the current license for a minimum of seven (7) years before being eligible to use the activity standard as a criteria for prioritization.
- E. Active military and veterans who have been honorably discharged from active military duty may use the immediately preceding two (2) calendar years prior to conscription into the military to meet the activity standard.
- F. If in any priority category there are more eligible applicants than there are licenses or endorsements available for issue, those licenses or endorsements will be issued by lottery, unless otherwise specified herein.

2.7.7 Application for License

- A. Contents of application: Applications for a commercial fishing license shall be completed on forms as prescribed by the Director. Applications not completed in their entirety shall not be considered. Applications shall contain the following information:
 - 1. Full name
 - 2. Age
 - 3. Occupation
 - 4. Residence address
 - 5. Mailing address
 - 6. Weight
 - 7. Height
 - 8. Hair color
 - 9. Eye color
 - 10. The name of any State or jurisdiction in which the applicant's commercial fishing license and/or permit is currently revoked or suspended, and
 - 11. Driver's License number and State of issuance, or other State-issued photo identification card.
 - 12. Applications must be notarized.
 - 13. Reporting method: Paper Catch and Effort Harvester logbook; or, Federal Vessel Trip Report (VTR), or e-TRIPS. The Paper Catch and Effort

Harvester logbook and e-TRIPS reporting methods cannot be declared together.

B. Application Deadlines

1. Standard Resident, Standard Non-Resident, Over Sixty-Five (65) Shellfish, Multipurpose Fishing License, and Multipurpose Vessel License: Applications must be received or postmarked by 4:00 p.m. on February 28, or by 4:00 p.m. on the first (1st) business day following February 28 if that day falls on a Saturday, Sunday or holiday.
2. Student Shellfish license: Applications must be received or postmarked by 4:00 p.m. on June 30, or by 4:00 p.m. on the first (1st) business day following June 30 if that day falls on a Saturday, Sunday, or holiday.
3. All license applications shall be made at, or addressed to, the Department of Environmental Management, Office of Boat Registration and Licensing, 235 Promenade Street, Providence, 02908.
4. Grace Period
 - a. Standard Resident, Standard Non-Resident, Over Sixty-Five (65) Shellfish, Multipurpose Fishing License, and Multipurpose Vessel License: License applications not received by the application deadline will accepted during a sixty (60) day grace period commencing on the day immediately following the application deadline upon payment of a late fee in the amount of two hundred dollars (\$200.00).
 - b. Student Shellfish License: There is no grace period for a Student Shellfish License application.

2.7.8 Reporting

- A. The holder of any type of commercial fishing license shall be deemed to have consented to provide such fishery-related information as the Director may require.
- B. Reporting shall be required on forms or in a format as prescribed by the Director. Only one (1) reporting method may be utilized. Reporting formats include Paper Catch and Effort Harvester Logbook, Federal Vessel Trip Report (VTR), or e-TRIPS. The Department will provide applicants with applicable reporting methods at the time of license issuance or renewal.
- C. The Paper Catch and Effort Harvester Logbook and e-TRIPS reporting methods cannot be declared together.
- D. Dockside Sales Endorsement reporting:

1. A licensee/permittee who declared their reporting method as a Federal Vessel Trip Report (VTR) is required to report all dockside sales via the paper Dockside Sales Endorsement Logbook.
 2. The purchase of a Dockside Sales Endorsement will ensure that the licensee/permittee receives a paper Dockside Sales Endorsement Logbook. Completed logbooks shall be submitted to the Division of Marine Fisheries office.
- E. Contents of reports: Commercial trips shall be accurately logged in the Paper Catch and Effort Harvester Logbook or entered in an approved electronic device or application, prior to offloading. Minimum trip elements shall include, but are not limited to:
1. Trip date
 2. Area fished
 3. Vessel State Registration or USCG Documentation number
 4. Gear type(s) fished
 5. Quantity of gear fished
 6. Fishing time
 7. Species
 8. Pounds or count of species caught
 9. Disposition
- F. Due dates for the submittal of reports:
1. Paper Catch and Effort Harvester and Dockside Sales logbooks:
 - a. For fishing activity occurring in the months of January, February, and March: April 15
 - b. For fishing activity occurring in the months of April, May, and June: July 15
 - c. For fishing activity occurring in the months of July, August, and September: October 15
 - d. For fishing activity occurring in the months of October, November, and December: January 15

2. Electronic reports: Captains enrolled in an electronic logbook program shall submit trip reports no later than forty-eight (48) hours after the end of the trip.
- G. Accurately completed copies of the Federal Vessel Trip Reports or State reporting forms shall be kept in numerical order onboard the vessel dating back to January 1 of the current year and furnished upon request. A vessel shall be exempt from this requirement if the captain of said vessel is currently enrolled in an electronic logbook program. Instead, the vessel must have all records dating back to January 1 of the current year entered electronically.
- E. Collection and use of data:
1. Data will be collected, managed, and disseminated according to the coastwide minimum protocols of the Atlantic Coastal Cooperative Statistics Program (ACCSP).
 2. Reported data may be used for management purposes by any properly designated State or Federal agency. Reported data may only be used for enforcement purposes by a properly designated State or Federal agency if specifically authorized by Rule.
 3. Any data that are released or reported to the public shall be aggregated so as to not identify individual fishers, vessels, or dealers.

2.7.9 Vessel Declaration

- A. Applicability: Every vessel employed in the commercial fishery must be declared with the Department at the time the owner/operator of such a vessel first applies for or subsequently renews his or her fishing license; or if a license has already been issued, prior to that vessel being used for commercial fishing.
- B. Each such vessel must be individually and separately declared, on an annual basis, and the required fee paid.
- C. Vessel declarations shall be issued as a resident or non-resident.
- D. The vessel declaration will include the name of the vessel and its owner, its length and horsepower, displacement, registration and/or Federal permit number, gear type(s), principal fishery(s), and the number of crew.
- E. A declared vessel will be issued decals, which must be prominently displayed on the port and starboard bow, or on the port and starboard sides of the console cabin or wheelhouse, or elsewhere on the port and starboard sides of the vessel such that they are readily viewable. The displayed decals must be updated annually.

- F. Declared vessels that are less than twenty-five feet (25') long may obtain a vessel declaration plate upon payment of an additional annual fee of fifteen dollars (\$15.00). The vessel declaration of the declared vessel may be temporarily transferred to another vessel less than twenty-five feet (25') long by affixing the aforementioned plate to that vessel. This vessel declaration transfer shall not exceed sixty (60) days, with one sixty (60) day extension in any given year by permission of the Department.
- G. Temporary transfers of non-resident vessel declarations between vessels less than twenty-five feet (25') in length via vessel declaration plates are not permitted.
- H. Annual Fee
 - 1. Resident: Twenty-five dollars (\$25.00) per vessel for vessels up to and including twenty-five feet (25') in length, plus fifty cents (\$0.50) per linear foot for each whole foot over twenty-five feet (25')
 - 2. Non-resident: Fifty dollars (\$50.00), plus one dollar and fifty cents (\$1.50) for each whole foot over twenty-five feet (25') in length overall

2.8 Landing Permits

- A. Applicability
 - 1. Authorizes off-loading of seafood products legally harvested outside of Rhode Island waters for sale or intended sale in Rhode Island
 - 2. Authorizes the permit holder to secure a vessel with the seafood products onboard to a shoreside facility where the products may be offloaded for sale or intended sale.
 - 3. If the operator of a vessel carrying seafood products notifies the Department's Division of Law Enforcement at least four (4) hours before entering Rhode Island waters that he or she intends to dock in a Rhode Island port for specified purposes other than landing, selling, or offering that seafood for sale, and if permission to do so is first obtained from the Division of Law Enforcement, no Landing Permit or Rhode Island license is required.
- B. General eligibility: A Landing Permit will only be issued upon proof that an applicant holds a valid Federal or non-Rhode Island State license or permit(s) to harvest a given species or group of similar species. The Landing Permit issued will authorize the landing of those species authorized by said Federal or State permit.
- C. General Provisions

1. Application required: Application for a Landing Permit shall be completed on forms as prescribed by the Director and contain such information as the Department may require. Applications not completed in their entirety shall not be considered. Applicants must include proof of their valid Federal or State license as part of the permit application.
2. A Landing Permit is issued to a person and not a vessel, although the vessel(s), which will generate the landings, must be identified. The Landing Permit may not be transferred and does not attach to a vessel when it is sold.
3. The person in charge of a vessel must be in possession of a Landing Permit issued to that individual in order for that vessel to legally enter Rhode Island waters.
4. A Landing Permit is valid only for the calendar year in which it is issued.
5. The permit must be signed by the party to whom it is issued in order to be valid.
6. The permit is valid only for the signed holder and may not be transferred to or used by any person to whom the license is not issued.
7. Submission of an application does not constitute a valid permit.
8. All fees must have been paid for a permit to be valid.
9. A lost or accidentally destroyed Landing Permit may be replaced for a fee of ten dollars (\$10.00), provided that the applicant submits an affidavit to the Department explaining the circumstances of the loss.
10. Notice of change of address. Whenever the holder of a Landing Permit shall move from the address named in his or her last application, that person shall, within ten (10) days subsequent to moving, notify the Office of Boat Registration and Licensing of his or her former and current address.
11. Every permit holder shall have their permit in possession at all times while engaged in the permitted activity and shall present the permit for inspection on demand by the Director. Any person who shall refuse to present a permit on demand shall be liable to the same punishment as if that person were fishing without a permit.

D. Resident Landing Permit

1. Applicability: Authorizes the permit holder to land, sell, or offer for sale any marine fishery species or product, in accordance with all applicable Rules and Regulations governing those species.

2. Eligibility: Available to residents who hold a valid State and/or Federal commercial fishing license.
3. Annual fee: Three hundred dollars (\$300.00)

E. Non-Resident Exempted Landing Permit:

1. Applicability: Authorizes the permit holder to land, sell, or offer for sale any marine fishery species or product including restricted finfish species, in accordance with all applicable Rules and Regulations governing those species.
2. Eligibility
 - a. Available to non-residents only if the landing is charged to the quota of the State in which the vessel making the landing is registered or documented; or, if the State where the vessel making the landing is registered or documented allows Rhode Island residents to land against its quota for that species; or, if the Department pursuant to a fisheries management plan determines there to be excess harvesting capacity in the Rhode Island commercial quota for that species.
 - b. Renewal is considered to be a new permit unless the applicant can show evidence of Rhode Island landings of more than one thousand (1,000) pounds of that species per year in four (4) of the five (5) years preceding the application. Having made that demonstration, the permit holder who held that permit as of the immediately preceding year may renew it for the immediately following year.
 - c. Application for a new permit is required in instances when a non-resident vessel is upgraded by twenty percent (20%) or more in length, displacement, or horsepower.
3. Annual fee: Six hundred dollars (\$600.00).

F. Non-Resident Landing Permit

1. Applicability: Authorizes the permit holder to land, sell, or offer for sale any marine fishery species or product, except restricted finfish, in accordance with all applicable Rules and Regulations governing those species and products.
2. Eligibility: Available to non-residents who hold a valid State and/or Federal commercial fishing license.
3. Annual fee: Six hundred dollars (\$600.00)

2.9 Party and Charter Licenses

- A. Applicability: All party and charter boats carrying recreational passengers to take, or attempt to take, marine fish upon the navigable State and coastal waters of Rhode Island shall be required to obtain a Rhode Island party and charter boat license.
- B. Eligibility: To obtain a license, the owner of a qualified vessel must apply to DEM on forms as prescribed by the Director. The following information must be submitted with a completed application form:
 - 1. A current copy of the operator's United States Coast Guard license to carry passengers for hire.
 - 2. A current copy of the vessel's "Certificate of Documentation" certifying that the vessel is documented "Coastwise", or if the vessel is under five (5) net tons, a copy of the vessel's State registration.
 - 3. Proof that the operator and crew are currently enrolled in a random drug testing program that complies with the Federal Government's 46 C.F.R. § 16.101 *et seq.* "Drug Testing Program" Regulations; and
 - 4. A signed, license-application form certifying that the vessel is, and will be, operated in compliance with all State and Federal safety Regulations for the vessel.
- C. Annual Fee
 - 1. Resident: One hundred dollars (\$100.00)
 - 2. Non-resident: Three hundred dollars (\$300.00)
- D. Expiration: December 31 annually
- E. Party or charter vessel reporting
 - 1. Trips made as a party or charter vessel shall be logged and submitted electronically in SAFIS.
 - 2. Trips shall be logged prior to the termination of the trip and submitted electronically within forty-eight (48) hours of the end of the trip. Trip elements shall include, but are not limited to:
 - a. Trip date
 - b. Area fished
 - c. Gear type(s) fished

- d. Quantity of gear fished
 - e. Number of anglers on trip
 - e. Fishing time
 - f. Pounds or count of species caught
 - g. Disposition
3. In years when no party or charter trips were made, at least one (1) negative report must be submitted.
 4. Failure to submit reports shall result in one (1) of the following actions: license suspension, revocation, or ineligibility to renew.
