TITLE 250 – DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

CHAPTER 100 – PARKS & RECREATION

SUBCHAPTER 00 – N/A

PART 1 – Park and Management Area Rules and Regulations

1.1 Purpose

The purpose of these Rules and Regulations is for the control, custody, governance, and use of state Management Areas, State Parks, and other areas operated and maintained by the Divisions of Fish and Wildlife, Parks and Recreation, and Forest Environment within the Department of Environmental Management ("RIDEM").

1.2 Authority

These Rules and Regulations are promulgated pursuant to R.I. Gen. Laws §§ 20-1-2, 20-1-4, and 20-1-8, and R.I. Gen. Laws Chapters 42-17.1, 42-17.6, 42-17.10, 20-18, 20-15, 32-2 and 32-3 and in accordance with R.I. Gen. Laws Chapter 42-35, the Administrative Procedures Act.

1.3 Administrative Findings

These Rules and Regulations were initially promulgated in order to address the often confusing and sometimes conflicting situation that was created due to the fact that numerous regulations administered by several different divisions had authority over certain aspects of the RIDEM's Parks and Management Areas. This current amendment is an effort to make those Rules and Regulations more effective and user friendly.

1.4 Application

The terms and provisions of these Rules and Regulations shall be liberally construed to permit the RIDEM to effectuate the purposes of state law, goals, and policies.

1.5 Severability

If any provision of these Rules and Regulations or application thereof to any person or circumstances, is held invalid by a court of competent jurisdiction, the validity of the remainder of the Rules and Regulations shall not be affected thereby.

1.6 Superseded Rules and Regulations

On the effective date of these Rules and Regulations, all previous Rules and Regulations, and any policies regarding the administration and enforcement of Parks and Management Area Rules and Regulations shall be superseded. However, any enforcement action taken by, or application submitted to, the RIDEM prior to the effective date of these Rules and Regulations shall be governed by the Rules and Regulations in effect at the time the enforcement action was taken, or application filed.

1.7 Definitions

"Authorized representative of the Department of Environmental Management" means an employee or agent of the RIDEM.

"Archery equipment" means long bow, recurve bow, compound bow or crossbow.

1.19 Fireworks

The possession or use of all classes of fireworks in any Public Reservation is prohibited except in designated areas with official written permission. Permission may be given at the Director's discretion only as a part of a formal license agreement between the State of Rhode Island and the entity requesting permission. If granted, permission shall apply only to areas and times designated by the Director at his/her discretion and specified in the license. The Director may impose additional restrictions which he or she deems necessary.

1.20 Food, Beverage, Vending

- A. No person shall possess, drink, sell or offer for sale any alcoholic beverages except as follows:
 - 1. Permission may be requested from the Director of the RIDEM or his or her authorized representative to consume, serve, sell or offer for sale alcoholic beverages at events held at Fort Adams State Park and in 2020 at state beaches where the average annual attendance for the previous three (3) years exceeds three-hundred thousand visitors (300,000) visitors. Requests shall be submitted in writing to the Director, or his/her authorized representative sixty (60) days in advance of the proposed date for the event. Permission may be given at the Director's discretion only as a part of a formal license agreement between the State of Rhode Island and the entity requesting permission. If granted, permission shall apply only to areas and times designated by the Director at his/her discretion and specified in the license. The Director may impose additional restrictions which he or she deems necessary.
 - 2. No person shall offer for sale, or attempt to sell any goods or services on any Public Reservation governed by these regulations without official

written permission from the Director of the RIDEM or his/her authorized representative.

3. No person shall sell, offer for sale, or attempt to sell any ticket, privilege, or license of admission to an entertainment event, including, but not limited to, any place of public amusement, arena, stadium, theatre, performance, sport, exhibition, or athletic contest conducted in any part of a Public Reservation governed by these Rules and Regulations.
4. Any person found to be in violation of § 1.20(A)(3) of this Part at the discretion of the Chief of the RIDEM Division of Law Enforcement or his/her designee shall either be prosecuted for a violation of R.I. Gen. Laws § 5-22-26 or may be issued a citation pursuant to R.I. Gen. Laws Chapter 8-8.2.
5. Any person against whom the prosecution for a violation of R.I. Gen. Laws § 5-22-26 has been instituted or who has been issued a citation pursuant to R.I. Gen. Laws Chapter 8-8.2 for a violation of § 1.20(A)(3) of this Part, shall be immediately removed from, and barred from re-entering, the Public Reservation in which entertainment event is being conducted for a period of one (1) year from the date of the person's removal from the Public Reservation.

1.21 Groups, Meetings, Distribution of Printed Matter

- A. Persons may distribute or exhibit printed or written material, and/or hold public meetings only in accordance with an official written permit which shall regulate only the time, place and manner of such exhibit, distribution or meeting. Holders of a Special Use Permit (the "Permittees") may offer leaflets or other documents to any person at the Management Area or Park and display such materials on tents or motor vehicles owned by the permittees. However, the permittees are prohibited from posting or otherwise attaching such materials to trees, as well as structures or motor vehicles located on the Management Area or park other than described above.

- B. Special Use Permit for the Division of Parks and Recreation:

Organized groups utilizing Public Reservations under the jurisdiction of the Division of Parks and Recreation, must submit prior written request to and have official written permission for a Special Use Permit from the Director or his/her authorized representative. Permits are also needed for any scientific, research, educational or volunteer activities regardless of number of people participating. (See § 1.30 of this Part for Special Event permits for groups between 75-150 people).

C. Any group or organization bringing youths under the age of eighteen (18) into any State Park, Beach, Recreation, or Management Area must provide adequate adult supervision for these youths and their activities.

D. Special Use Permit for Management Areas:

A Special Use permit is required for groups either organized, or assembled through advertisement or social media, of ten to seventy-five (10-75) people at Public Reservations not under the jurisdiction of the Division of Parks and Recreation. Permits are also needed for any scientific, research, educational or volunteer activities regardless of number of people participating. Special Use applications should be sent to Arcadia Forestry Headquarters (260 Arcadia Rd, Hope Valley, RI 02823).

1.22 Hours of Operation

A. All Management Areas are closed from one-half (1/2) hour after sunset to one-half (1/2) hour before sunrise, except for fishing, hunting, launching and/or mooring of boats, snowmobiling on established trails in Arcadia and George Washington-Pulaski (See § 1.27(K) of this Part), or as provided by official written permit issued by the Director or his authorized representative, or as otherwise provided under regulations promulgated in R.I. Gen. Laws § 32-2-4. No person or vehicle shall be allowed within the limits of a State Park or beach area between the hours of sunset and sunrise the following day except by official written permission or unless an area is designated otherwise by written regulation.

B. Emergency Operation Order

1. In the event of any emergency that may pose an imminent threat or peril to the public health, safety or welfare, the Director, pursuant to his/her authority as set forth in R.I. Gen. Laws § 42-17.1-2(19), may issue an Emergency Operation Order that provides for the closure or limited operation of the state parks, beaches, campgrounds, boat ramps and management areas, and all the facilities listed in §§ 1.38 and 1.39 of this Part as the Director deems appropriate in his/her discretion. The Director may close all, or any designated portion of, any state park, bike path, campground, beach or management area and may limit operations of said areas to specified hours at the Director's discretion.

2. The Director is authorized to issue an Emergency Operation Order specifying the conditions of the emergency closure or limited operations.

3. The Director is authorized to rescind or modify an Emergency Operation Order at any time, either during the emergency or after the emergency has subsided.
4. The Emergency Operation Order shall be posted on the RIDEM website, which shall be deemed sufficient notice.
5. Any violation of any Emergency Operation Order issued by the Director shall be subject to penalties as set forth in § 1.37 of this Part.

1.23 Hunting Regulations

- A. The possession of a valid Rhode Island hunting, or combination hunting and fishing license, shall serve as a permit to hunt Public Reservations, including Undeveloped State Parks where hunting is allowed, and Tidal Lands pursuant to R.I. Gen. Laws Titles 20 and 18, and R.I. Gen. Laws §§ 20-18-2 and 20-18-3.
- B. A valid hunting license is required for any State designated hunting season.
- C. A permit to trap within a Public Reservation may be obtained from the Division of Fish and Wildlife.
- D. The carrying of firearms and archery equipment on Public Reservations at any time is prohibited except as provided for in § 1.17 of this Part.
- E. Individual hunters, when pursuing small game, must check in, and out of State Management Area Hunter Check Stations each day they are open for upland season. Check station dates will be listed in the current Hunting and Trapping Season Abstract.
- F. Dog training and all hunting, except for bow hunting for deer, and waterfowl hunting, as provided, is prohibited on State Land during the five (5) day period prior to small game season, unless otherwise provided (See Animals, Including Horses and Dogs, § 1.8 of this Part).
- G. No person shall engage in any activity that interferes or interrupts lawful hunting on a Management Area or Public Reservation.
- H. Fluorescent Orange Requirement:

Fluorescent orange safety clothing is required during the hunting season statewide for all hunters. To meet this requirement, safety clothing must be solid daylight fluorescent orange. Fluorescent camouflage does not meet this requirement. The hunter orange must be worn above the waist and be visible in all directions. Examples that meet the orange requirements are a hat that covers

two hundred (200) square inches or combination of hat and vest covering five hundred (500) square inches. The following orange requirements apply:

1. Two hundred (200) square inches by small game hunters during the small game season.
2. Two hundred (200) square inches by fall turkey hunters while traveling.
3. Two hundred (200) square inches by muzzleloader deer hunters during muzzleloading season.
4. Two hundred (200) square inches by archers during muzzleloader deer season when heading to/from an elevated stand.
5. Five hundred (500) square inches by all hunters and other users (including archers) during shotgun deer season.
6. Those hunters using pop-up blinds during the firearms deer season must display two hundred (200) square inches of fluorescent orange visible on the outside of the blind from all directions. Hunters must also wear orange in accordance with the rules for the specific season while in the blind.
7. Exempt from fluorescent orange requirements are:
 - a. Waterfowl hunters hunting from a boat or blind, over water or field, when done in conjunction with decoys.
 - b. Archery deer hunters (except during muzzleloader and shotgun deer season).
 - c. Hunters crow hunting over decoys.
 - d. First segment dove hunters.
 - e. Not required in areas limited to archery only by regulation.
8. All users of State Management Areas and designated Undeveloped State Parks not exempt under § 1.23(H)(7) of this Part, including but not limited to: hikers, bikers and horseback riders, are required to wear two hundred (200) square inches of solid daylight fluorescent orange from the second Saturday in September to the last day of February, and the third Saturday in April to the last day in May annually. Five hundred (500) square inches required for all hunters (including archers) and other users during shotgun deer season.

- I. A hunting license is required when training dogs on wild game on State Management Areas, except when participating in state-sanctioned field trails.

- K. Dogs on State Management Areas allowed only under the following rules:
 - 1. No dogs are allowed to be trained, run, or exercised or be permitted to run at large on State Management Areas from March 15th to August 15th, inclusive, without written permission of the State Land Management Council, except as otherwise provided in these regulations.
 - 2. Walking of dogs on a leash of not more than twenty-five feet (25') in length is permitted on roads and trails only.
 - 3. All dogs being utilized in hunting or training activities must wear a collar bearing the name and address of the owner and the handler must hold in possession a valid dog license or tag but it does not need to be on the dog.
- L. Dog Training Areas: Dog training shall be allowed on designated areas only, between January 1st and September 30th. During this period, dogs may run freely provided they are under the command of the trainer by voice, training collar, or check cord.
 - 1. Areas designated for training dogs are: the Black Farm Management Area; the Nicholas Farm Management Area north of the Trestle Trail; and the Arcadia Midway Trial Area confined to the developed field complex east of Brook Trail, south of Austin Farm Road and west of the established field edges comprising the Midway fields area. Field trial areas are as depicted on maps drawn by the Division of Fish and Wildlife.
 - 2. Training hours shall be sunrise to sunset.
 - 3. All persons using areas for dog training shall possess a valid hunting license.
 - 4. All dogs using areas shall be licensed and have proof of rabies vaccinations and all dogs being utilized in hunting or training activities must wear a collar bearing the name and address of the owner and handler must possess a valid dog license tag.

5. Training with live birds is permitted provided the bird is released unharmed.
6. Shooting of live birds for training purposes is prohibited.
7. Sanctioned field trial events may be held at the following locations by requesting a Special Use Permit application from the State Lands Management Council: Arcadia, Carolina, Durfee Hill Marsh, and Burlingame (Durfee) Pond, and Nicholas Farm.

A Special Use Permit is required for activities permitted by a Scientific Collector's Permit that take place or occur on Public Reservations.

1.25 Mooring

- A. No person shall moor, dock or berth a vessel, boat, or any other object overnight except in designated mooring, docking, or berthing areas.
- B. The Regional Manager may, by posting of an order, specify time limits for the mooring, docking, or berthing of a vessel, boat or any other object at mooring, docking, or berthing facilities. No person shall moor, dock, or berth a vessel, boat or any other object in violation of time limits so established (See also § 1.32 of this Part, Swimming and Bathing).

1.26 Motorcycle Use in Arcadia Management Area

- A. Motorcycle use is only allowed within designated areas of Arcadia Management Area subject to conditions of §§ 1.27(B) through (F) of this Part. Town and State roads within the Arcadia Management Area which are not part of the designated route may be used at any time provided all local and state motor vehicle regulations are adhered to. The designated trail for motorcycle use is subject to change or correction by the RIDEM if conditions warrant. The designated trail (18.9 miles total loop) for motorcycle use shall consist of gravel roads and fire trails as delineated on the Arcadia Trail Map and described as follows: Arcadia Road; Austin Farm Road; Brook Trail; Barber Road; Blitzkrieg Trail; Bliven Trail; Frosty Hollow Road; Mt. Tom Road; Summit Road; Old Ten Rod Road (White Church Trail).
- B. Only street-legal registered motorcycles operated by riders who hold a valid motorcycle operator's license may use the area. Operators must also maintain liability insurance according to Rhode Island State Laws.
- C. No riding shall be allowed behind any gated gravel or fire trail unless said roads are designated for motorcycle use. Motorcycles are not allowed on hiking trails and single-track trails.
- D. No new motorcycle trails shall be cut, marked, or created within the Arcadia Management Area.

- E. Trails may be periodically closed by RIDEM for use by motorcycles when habitat or natural resource protection issues, weather, or road conditions warrant. Such conditions may include, but are not limited to, high/extreme fire danger or seasonal muddy conditions. There shall be no motorcycle riding beyond gated portions of the loop during March, April, and before 1:00 PM during May.
- F. Speed limit on the trail designated for motorcycle use shall be twenty-five (25) miles per hour or as posted.
- G. Use of "trials" motorcycles in the Arcadia Management Area is covered under a separate Memorandum of Understanding (MOU) between the Rhode Island Trials Club and RIDEM. The MOU designates the portion of Arcadia where trials riding can occur and the time of year that use is permitted. The use of the Management Area by RITC and the MOU will be evaluated by RIDEM on an annual basis to determine if changes are necessary in order to protect the natural resources of the Arcadia Area.

1.27 Motor Vehicles

- A. The traffic laws of the State of Rhode Island are fully applicable unless these regulations provide otherwise.
- B. All motor vehicles must be legally street registered and operated by a licensed driver.
- C. Motor vehicles shall be operated only in designated areas, no motor vehicles are allowed off roads or trails where prohibited, except with official written permission. All electrically propelled devices, except those used to assist handicap or disabled persons are prohibited on state property unless with official written permission.

No refunds are allowed unless authorized by the Director or designee.

1.30 Special Events

- A. Arcadia, Big River, Diamond Hill and George Washington Management Areas
 - 1. Special event permits are required for any group of seventy-five (75) participants or more and shall not exceed a total of one hundred fifty (150) participants. No more than four (4) Special Event Permits shall be issued during the period designated in § 1.30(A)(2) of this Part.

2. Permits will be issued during the period of July 1st through September 30th only.
3. Exemptions from the limitation on the maximum participants and/or time of year restrictions may be granted by the RIDEM for educational workshops, use of picnic/beach areas, and use of RIDEM boat launching ramps for fishing tournaments.
4. Applications to hold a Special Event must be submitted to State Lands Management Council for review and approval to Arcadia Forestry Headquarters (260 Arcadia Rd, Hope Valley, RI 02823). Applications must be submitted from January 1st to the last day of February of the year that the event will take place. Applications will be reviewed by RIDEM to determine if they meet the requirements specified by this policy. If necessary, permit applications will be selected by a lottery drawing that will be held on the first Monday in March at 1200 hours (noon). In the event that all the allotted special event permits are not filled by the first Monday in August, remaining permits will be issued on a first-come, first-served basis. No more than two (2) special event permits will be issued per year per individual recreation use type to allow fair access to other user groups.
5. RIDEM, at its sole discretion, will determine the suitability of a proposed event at the Management Area requested and may refuse permission if the event threatens the integrity of the Management Area's natural resources, including but not limited to: soil, water, fish, wildlife, and forest and RIDEM's responsibility to provide for availability to the public for multiple use of the area.
6. RIDEM at its sole discretion can impose restrictions or refuse to permit an event during periods of high or extreme fire danger or where environmental, public health, and/or safety concerns so dictate.
7. Special event sponsors shall be responsible for the following in running an event:
 - a. Paying for adequate RIDEM Law Enforcement personnel during events.
 - b. Notifying and obtaining written permission for said use from all local towns/cities affected by the event. Written permission must be submitted before the permit will be issued.
 - c. Notifying state and local police, fire, and rescue of the event.

- d. All event sponsors shall provide a liability insurance policy of one million dollars (\$1,000,000) and must sign an indemnification of the state and all its employees. Event sponsors shall be required to post a bond payable to RIDEM in an amount RIDEM determines to be necessary and appropriate to reimburse RIDEM for any damages incurred as a result of the event and which has not been repaired by the event sponsors within seven (7) days of the closing of the event. The event sponsors shall also be required to execute an agreement in which the sponsors agree to be personally liable, both jointly and severally, for any damage as determined by RIDEM to have resulted from the permitted event over and above amount of the bond.
- e. All participants must sign a liability waiver and release for the State.
- f. Event sponsors shall be responsible for repairing any damage to the Management Area caused by the event in the time designated in the permit.
- g. Event sponsors are responsible for removing all signs, markers, and trash from the Management Area caused by the event within seven (7) week of its conclusion.
- h. Event sponsors shall provide to RIDEM an estimation of the number of spectators that can be expected for an event.
- i. RIDEM reserves the right to include additional special conditions on any permitted event if conditions so warrant.
- j. These regulations do not apply to the use of areas under the jurisdiction of the RIDEM's Division of Parks and Recreation.

1.31 State Park Policies

Specific written policies relating to individual park units may be promulgated by Regional Park Managers with the prior approval of the Chief of the Division of Parks and Recreation. Such written policies shall be kept on file at the Division of Parks and Recreation headquarters.

C. Regulations for Rifle/Pistol Range

1. The discharge of any firearm other than a handgun, shotgun, rim fire rifle, muzzleloader rifle, or air gun is prohibited on the fifty (50) yard rifle/pistol range. The Division of Fish & Wildlife reserves the right to allow or disallow additional types of firearms as deemed appropriate to facility modifications and/or use.
2. The use of shot ammunition on the pistol/rifle range is limited to patterning for seasonal hunting. Appropriate shot and patterning targets required.
3. No firing from positions forward of the designated firing line.
4. No firing from positions other than a designated shooting lane.
5. Use only the provided target stand designated for your shooting lane. No cross firing to other shooting lanes.
6. Use paper targets only no larger than fifteen inches by twenty inches (15" x 20"). All other targets are prohibited. Human silhouette targets and targets depicting people are not allowed.

D. Regulations for Clay Target Range

1. The discharge of any firearm other than a shotgun is prohibited on the clay target range.
2. Ammunition is limited to maximum shot size of # 7-1/2 lead, or equivalent size non-toxic shot. No larger shot size or slugs are permitted on the shotgun range.
3. Clay pigeons are the only allowable target on the shotgun range.
4. Shoot from designated shooting stations only.
5. Guns are to be unloaded, actions open, when not standing in a designated shooting station.

6. Load no more than two (2) shells at a time.
7. Only two (2) shooters may simultaneously utilize the shotgun range.
8. At no time shall shots be fired, or clay targets launched toward the parking area or rifle range.

E. Administrative Rules

1. All users must obtain a range permit prior to using the target range. The RI Division of Fish & Wildlife reserves the right to limit the number of permits issued. Target Range Permits are non-transferable.
2. To apply for a range permit, all applicants eighteen (18) years of age or older must:
 - a. Obtain an application from the RI Division of Fish & Wildlife, Great Swamp Field Headquarters, 277 Great Neck Rd., West Kingston, RI 02892 or the Fish and Wildlife Education Office at 1B Camp E-Hun-Tee Place, Exeter, RI 02822 or at www.dem.ri.gov.
 - b. Complete the application form and have his/her signature notarized.
 - c. Attach a copy of your driver's license or other government issued picture ID along with one of the following certifications:
 - (1) State issued Hunter Education Card
 - (2) Valid, state issued, firearms hunting license
 - (3) RIDEM Pistol/Revolver Certification Card (Blue Card)
 - (4) Valid, RI Department of Attorney General Pistol Permit
 - (5) Active Military I.D.
 - (6) Equivalent Certification as determined by the RI Division of Fish and Wildlife.
 - d. Mail the completed application package along with a LEGAL SIZE, self-addressed stamped envelope to: Range Permit, RI Division of Fish and Wildlife, 1 B Camp E-Hun-Tee Place, Exeter, RI 02822.
 - e. When this material is received, applicants will be notified that they are eligible to attend a range safety briefing. A range pass will be

issued at the conclusion of the range safety briefing. Applications for minors (under eighteen (18) years of age) must include the notarized signature and a copy of the driver's license or other government issued picture ID of a parent or legal guardian. Minors are exempt from requirement three (3) of the application process. Illegible, incomplete, or incorrect permit applications will not be processed.

- f. For renewal of permits issued in 2010 or later, please complete the Target Range Permit Application and check the RENEWAL box at the top right and attach your previous permit. It is not necessary to attach your certification or have your signature notarized unless you are moving from a "minor" to an "adult" permit in which case you must apply as a new user. Users who renew must attend a safety briefing to be updated on any changes in regulations or policy.
3. All minors (under eighteen (18)) must be accompanied by a "qualified adult" when using the range. A "qualified adult" is any person twenty-one (21) years of age or older who is permitted by law to possess and use a firearm. The "qualified adult" must also possess a valid range permit and is directly responsible for the actions of minors under their supervision. The "qualified adult" must assure by direct supervision that minors follow all mandated safety procedures. The "qualified adult" shall supervise only one (1) minor at a time.
4. All individuals must wear present their Range Permit so it is visible to other users and to supervisory personnel and picture ID to the Range Safety Officer when signing in. The permit will be retained by the Range Safety Officer for the duration of the visit and will be returned when signing out. The Range Safety Officer has the authority to retain the permit of any individual found to be in violation of Target Range Regulations. The Range Permit must be presented, upon request, to any authorized person.
5. Persons so designated by the RI Division of Fish & Wildlife are authorized to carry out the Rules and Regulations with regard to range users.
6. Hours of operation will vary by season and environmental conditions and availability of staff. The Division of Fish & Wildlife reserves the right to alter hours and days of operation as conditions warrant.
7. The primary use of the range is for Hunter Education training. Secondary use is for public practice. Range may be closed without notice for special training, maintenance, safety, or weather conditions.

8. Pets must be leashed and strictly controlled at all times. No pets are allowed on the firing line. At no time should pets be allowed to interfere with the range operation.
9. Parking is allowed in designated parking area only.
10. Individuals are responsible to dispose of all trash generated, including shell casings, prior to leaving the range.
11. Assumption of the risk of injury and Indemnification:

In exchange for a person's use of the target range facility or issuance of a range permit for such use or the issuance of a range permit to a minor at the person's request, said person agrees that he/she shall at all times assume full liability for any injuries which he/she or the subject minor may suffer while at or near the target range facility. In addition, said person shall hold the state and its agents harmless from any and all claims or damage suits arising from the person's or the subject minor's actions at or near the target range facility either by way of omission or commission.

F. Administrative Suspension/Revocation of Permit:

1. With the understanding that public safety is a primary goal of the Division of Fish & Wildlife; the use of the Great Swamp Range is a privilege extended only to those individuals who demonstrate the knowledge and skills to safely use a firearm in public. Due to potential risk associated with the public use of firearms in a manner other than as dictated in these regulations, the Range Safety Officer has the authority to immediately seize the range permit of any individual who demonstrates said unsafe behavior. The Range Safety Officer has the discretion to impose a temporary suspension of shooting privileges and/or repeat of the Range Safety Briefing. In the event of a severe or repeat infractions, shooting privileges may be permanently revoked.
2. Any person aggrieved by a suspension decision pursuant to § 1.33 of this Part. Permanent revocation of a range permit, determination to suspend or revoke a range permit, may appeal the decision in accordance with the provisions of the Administrative Procedures Act, R.I. Gen. Laws Chapters 42-35 and 42-17, the Administrative Adjudication for Environmental Matters Act.

G. Administrative Penalties:

1. Any person who is found, pursuant to the authority of R.I. Gen. Laws § 42-17.1-2, to have used or to have attempted to use the target range prior to

having been issued a range permit or during a period when the range is closed shall be assessed an administrative penalty in the amount of one hundred dollars (\$100.00).

2. Any person who is found, pursuant to the authority of R.I. Gen. Laws Chapter 42-17.10 to have used or to have attempted to use the target range during the period of a suspension/revocation of his or her range permit pursuant to § 1.33(F) of this Part, shall be assessed an administrative penalty in the amount of one hundred dollars (\$ \$100.00).
3. Any person aggrieved by a final decision pursuant to § 1.33(G) of this Part, may appeal the decision in accordance with the provisions of the Administrative Procedures Act, R.I. Gen. Laws Chapters 42-35 and 42-17.10, the Administrative Adjudication for Environmental Matters Act.

1.34 Trash and Litter
