- B. Wildlife Food Plots may only be entered by walkers, hikers, hunters, and for the purpose of training dogs. Entering Food Plots is prohibited between June 1st and August 15th, except for the purpose of training dogs in designated areas.

9.10 Motorcycle Use in Arcadia Management Area

- A. Motorcycle use is only allowed within designated areas of Arcadia Management Area subject to conditions of § 9.10 of this Part. Town and State roads within the Arcadia Management Area which are not part of the designated route may be used at any time provided all local and state motor vehicle Regulations are adhered to. The designated trail for motorcycle use is subject to change or correction by the RIDEM if conditions warrant. The designated trail (18.9 miles total loop) for motorcycle use shall consist of gravel roads and fire trails as delineated on the Arcadia Trail Map and described as follows: Arcadia Road; Austin Farm Road; Brook Trail; Barber Road; Blitzkrieg Trail; Bliven Trail; Frosty Hollow Road; Mt. Tom Road; Summit Road; Old Ten Rod Road (White Church Trail).
- B. Only street-legal registered motorcycles operated by riders who hold a valid motorcycle operators license may use the area. Operators must also maintain liability insurance according to Rhode Island State Laws.
- C. No riding shall be allowed behind any gated gravel or fire trail unless said roads are designated for motorcycle use. Motorcycles are not allowed on hiking trails and single-track trails.
- D. No new motorcycle trails shall be cut, marked, or created within the Arcadia Management Area.
- E. Trails may be periodically closed by RIDEM for use by motorcycles when habitat or natural resource protection issues, weather, or road conditions warrant. Such

conditions may include but are not limited to: high/extreme fire danger or seasonal muddy conditions. There shall be no motorcycle riding beyond gated portions of the loop during March, April and before 1:00 p.m. during May.

- F. The speed limit on the trail designated for motorcycle use shall be twenty-five (25) miles per hour or as posted.
- G. Use of "trails" motorcycles in the Arcadia Management Area is covered under a separate Memorandum of Understanding (MOU) between the Rhode Island Trails Club and RIDEM. The MOU designates the portion of Arcadia where trails riding can occur and the time of year that use is permitted. The use of the Management Area by RITC and the MOU will be evaluated by RIDEM on an annual basis to determine if changes are necessary in order to protect the natural resources of the Arcadia Management Area.

9.11 Special Events

- A. Arcadia, Big River, Diamond Hill and George Washington Management Areas
 - 1. Special Event Permits are required for any group of seventy-five (75) participants or more and shall not exceed a total of one hundred fifty (150) participants. No more than four (4) Special Event Permits shall be issued during the period designated in § 9.11 of this Part.
 - 2. Permits will be issued during the period of July 1st through September 30th only.
 - 3. Exemptions from the limitation on the maximum participants and/or time of year restrictions may be granted by the RIDEM for educational workshops, use of picnic/beach areas, and use of RIDEM boat launching ramps for fishing tournaments.
 - 4. Applications to hold a Special Event must be submitted Management Areas Stewardship Committee for review and approval to Arcadia Forestry Headquarters (260 Arcadia Rd., Hope Valley, Rhode Island 02823). Applications must be submitted from January 1st to the last day of February of the year that the event will take place. Applications will be reviewed by RIDEM to determine if they meet the requirements. If necessary, permit applications will be selected by a lottery drawing that will be held on the first (1st) Monday in March at 1200 hours (noon). In the event that all the allotted Special Event Permits are not filled by the first (1st) Monday in August, remaining permits will be issued on a first-come, first-served basis. No more than two (2) Special Event Permits will be issued per year per individual recreation use type to allow fair access to other user groups.

5. RIDEM, at its sole discretion, will determine the suitability of a proposed event at the Management Area requested and may refuse permission if the event threatens the integrity of the Management Area's natural resources, including but not limited to: soil, water, fish, wildlife, and RIDEM's responsibility to provide for availability to the public for multiple use of the area.
6. RIDEM at its sole discretion can impose restrictions or refuse to permit an event during periods of high or extreme fire danger or where environmental, public health, and/or safety concerns so dictate.
7. Special Event sponsors shall be responsible for the following in running an event:
 - a. Paying for adequate RIDEM Law Enforcement personnel during events.
 - b. Notifying and obtaining written permission for said use from all local towns/cities affected by the event. Written permission must be submitted before the permit will be issued.
 - c. Notifying State and local police, fire, and rescue of the event.
 - d. All event sponsors shall provide a liability insurance policy of one million dollars (\$1,000,000.00) and must sign an indemnification of the State and all its employees. Event sponsors shall be required to post a bond payable to RIDEM in an amount RIDEM determines to be necessary and appropriate to reimburse RIDEM for any damages incurred as a result of the event and which has not been repaired by the event sponsors within seven (7) days of the closing of the event. The event sponsors shall also be required to execute an agreement in which the sponsors agree to be personally liable, both jointly and severally, for any damage as determined by RIDEM to have resulted from the permitted event over and above the amount of the bond.
 - e. All participants must sign a liability waiver and release for the State.
 - f. Event sponsors shall be responsible for repairing any damage to the Management Area caused by the event in the time designated in the permit.
 - g. Event sponsors are responsible for removing all signs, markers, and trash from the Management Area caused by the event within seven (7) day of its conclusion.
 - h. Event sponsors shall provide to RIDEM an estimation of the number of spectators that can be expected for an event.

- i. RIDEM reserves the right to include additional special conditions on any permitted event if conditions so warrant.
- j. These Regulations do not apply to the use of areas under the jurisdiction of the RIDEM's Division of Parks and Recreation.

9.12 Area Specific Regulations

A. Bay Islands

- 1. Camping in the Bay Islands is prohibited.
- 2. From the period of April 1st through August 15th annually the following areas are closed to entry: Dyer Island, Hope Island and Gould Island. During this time period, no person is allowed to enter these areas without official written permission from the Director. During this time period, disturbing or molesting any nesting birds at these areas are prohibited.
- 3. All cats, dogs, and other domestic animals are prohibited at all times at Dutch Island, Dyer Island, Gould Island, Hope Island, and Patience Island; except that hunting dogs may be used at Hope Island while hunting small game or migratory birds only during the open seasons set by the Department and hunting dogs may be used at Patience Island while hunting migratory birds only during the open seasons set by the Department.

B. All State Fish Hatcheries are closed to public use.

C. Hillsdale (De Coppet)

- 1. Hunting, Horseback riding, and cycling are prohibited.
