

## Weights and Measures Comments

The American Civil Liberties Union of Rhode Island (ACLU) comment: Section 3.5(B) (3) revokes a person's license due to "conviction of a felony". The ACLU thinks this is overbroad and unfair. They support a revision that license revocation will only occur if the felony committed has a direct relationship to the person's ability to fulfill the functions of the position.

Department response: Revocation for "Conviction of felony" will be changed to "Conviction of a felony related to job duties."
