Public Hearing:
A public hearing, in accordance with R.I. Gen. Laws § 42-35-2.8, to consider the proposed repeal shall be held on October 29, 2018 at 2:00 pm at RI Department of Labor & Training, 1511 Pontiac Avenue, Bldg. 73-1, Cranston, RI 02920 at which time and place all persons interested therein will be heard. The seating capacity of the room will be enforced and therefore the number of persons participating in the hearing may be limited at any given time by the hearing officer, in order to comply with safety and fire codes.

The place of the public hearing is accessible to individuals who are handicapped. If communication assistance (readers/interpreters/captioners) is needed, or any other accommodation to ensure equal participation, please call 401-462-8897 or RI Relay 711 at least three (3) business days prior to the meeting so arrangements can be made to provide such assistance at no cost to the person requesting.

Regulatory Analysis Summary and Supporting Documentation:
The proper testing and sealing of oil delivery trucks and the certification of those authorized to perform the testing and sealing promotes public safety. These regulations have been merged with the regulations on weights and measures as the two regulations are closely aligned.

For full regulatory analysis or supporting documentation see agency contact person above.
