In accordance with the Administrative Procedures Act, R.I. Gen. Laws Section 42-35-3(a)(1), the following is a concise statement regarding this rulemaking for Assisted Living Residence Administrators (216-RICR-40-05-18).

This amendment to the regulations creates an Authority section, implements Secretary of State definitional requirements, and removes superfluous language.

In response to public comment, § 18.3.6(C)(1) was revised to include LeadingAge RI.

In the development of this rule, consideration was given to: 1) alternative approaches; 2) overlap or duplication with other statutory and regulatory provisions; and 3) significant economic impact on small business. No alternative approach, duplication, or overlap was identified based on available information. RIDOH has determined that the benefits of this rule justify its costs.
