**TITLE 280 – DEPARTMENT OF REVENUE**

**CHAPTER 30 – DIVISION OF MOTOR VEHICLES**

**SUBCHAPTER 00 – GENERAL ADMINISTRATION**

**Part 2 – Access to Public Records Regulation**

**2.1 Purposes**

A. The Purposes of this Regulation are:

1. To establish a Regulation to implement R.I. Gen. Laws § 38-2-1, *et seq.* and § 42-35-2(a) relating to access to public records maintained by the Division;
2. To provide the public and Division personnel with a Regulation which sets forth the rules and procedures applicable to access to public records maintained by the Division.

**2.2 Authority**

This Regulation is promulgated pursuant to R.I. Gen. Laws §§ 38-2-1, *et seq.* (“Access to Public Records”) and § 42-35-2(a).

**2.3 Application**

These rules and regulations shall be liberally construed to permit the Division of Motor Vehicles to effectuate the purposes of R.I. Gen Laws §§ 38-2-1, *et seq.* and 42-35-2(a).

**2.4 Severability**

If any provision of these rules and regulations, or the application thereof to any person or circumstance, is held invalid by a court of competent jurisdiction, the validity of the remainder of the rules and regulations shall not be affected thereby.

**2.5 Policy**

The Division recognizes both the public’s right to access public records and the individual’s right to dignity and privacy. It is the Division’s policy to facilitate public

access to all public records that may be disclosed in accordance with R.I. Gen. Laws § 38-2-1, et seq. It is also the policy of the Division to make all public records in the Division's possession available for public inspection and copying consistent with applicable state or federal law, unless otherwise prohibited by a court of competent jurisdiction.

## **2.6 Procedure for Requesting Public Records**

- A. Except as provided in § 2.7 of this Part, a written request to inspect or copy public records should be sent to the Division of Motor Vehicles or, in the alternative, to the Division of Legal Services at the Department of Revenue. Written requests may be mailed, hand delivered, e-mailed or sent via facsimile. Hand delivered requests may be made during the Division's regular business hours. It is suggested, but not required, that requests be submitted on the form provided by the Division, which is available at the Division or online at <http://www.dmv.ri.gov>. To assure that the Division can respond to the request as efficiently and as completely as possible, the request should identify and describe the records being requested with as much specificity as possible. A written record of all requests will be maintained within the Division of Motor Vehicles.
- B. If the description of records being requested is not sufficient to allow the Division to identify and locate the requested records, the Division will notify the person requesting such records that additional information is needed to properly respond to the request.
- C. Upon receipt of a request for records, the Division will mark on the face of a written request the date the request was received. The Division will permit the inspection or copying of the requested records within ten (10) business days after receiving the written request.
- D. If the inspection or copying is not permitted within ten (10) business days of receipt, the Division shall forthwith explain in writing the need for additional time to comply with the request. In such cases the Division may have up to an additional twenty (20) business days to comply with the request if it can demonstrate that the voluminous nature of the request, the number of requests for records pending, or the difficulty in searching for and retrieving or copying the requested records, is such that additional time is necessary to avoid imposing an undue burden on the Division.
- E. A written request is not required to be submitted for public information available under R.I. Gen. Laws § 42-35-2 or for other documents prepared for or readily available to the public such as:

1. rules and written statements of policy or interpretations formulated, adopted, or used by the agency; or
  2. final orders, decisions, and opinions;
- F. Non-written requests for public records are subject to the same timelines as written requests. Reasonable time must be given to locate, copy and send the requested records.

## **2.7 Hours of Inspections**

When a request is made to inspect public records (as opposed to obtain copies), the requester will be advised when the records are available, and he/she can then make an appointment to inspect those documents at the Division between the hours of 8:30 a.m. and 3:30 p.m. Monday through Friday. The time frame for the Division to respond to requests to inspect public records is the same as the time frame applicable to responding to requests for copies of public records as set forth in § 2.6 of this Part above.

## **2.8 Fees**

- A. Official publications which the Division prepares in the discharge of its duties to inform the public on matters of public interest will be furnished free of charge when available.
- B. The Division will supply one (1) copy of any of its Rules and Regulations to an individual requesting them free of charge. Rules and Regulations of the Division are on file at the Office of the Secretary of State and certified copies thereof may be obtained from that office. Rules and Regulations of the Division are also available online from the Secretary of State's website.
- C. The Division charges a fee, as provided in R.I. Gen. Laws § 38-2-4, for copying and/or search and retrieval of requested documents consistent with applicable state law. The Division charges \$0.15 per copied page; provided however, if the response to the request consists of twenty (20) or fewer copied pages, no fee will be charged. The Division reserves the right to require a deposit of the estimated costs if the estimated costs are \$50.00 or more.
- D. The cost of copying and search and retrieval as provided in § 2.8(C) of this Part above must be paid in advance of or at the time of delivery or inspection of the requested documents.
- E. Division personnel or, where applicable, an outside copy service, will make copies of requested records. The Division does not have a copy machine available for use by the public to make copies.

## **2.9 Supervision of Inspections**

- A. The inspection of public records must be accomplished in a manner which will provide for general supervision by authorized Division staff. This is necessary to prevent the misplacement or unauthorized removal of records or any other action which may impair the integrity of the public record.
- B. Personnel in charge of the Division of Motor Vehicles shall have overall responsibility for the security of the public record. However, the individual in charge of that Division may designate a staff member(s) to coordinate the functions and responsibilities related to the copying and inspection of public records.
- C. All personnel responsible for responding to requests for access to public records shall be made aware, by their supervisors, of the provisions of this regulation and the procedures to be followed when an access to public records request is made. Division personnel having any questions regarding the procedures to be followed should direct inquiries to:
  - 1. The person in charge of the Division of Motor Vehicles responsible for the activity/function to which the public record being requested relates; or
  - 2. In the event that the public record cannot be readily categorized as falling under the responsibility of the Division of Motor Vehicles, the request should be directed to the Division of Legal Services at the Department of Revenue which will serve as a resource in matters relating to the public's access to public records.
