"Marijuana" means all parts of the plant *cannabis sativa L.*, whether growing or not; the seeds of the plant; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin, but shall not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of mature stalks, (except the resin extracted from it), fiber, oil or cake, or the sterilized seed from the plant which is incapable of germination.

"Medical use" means the acquisition, possession, cultivation, manufacture, use, delivery, transfer, or transportation of marijuana or paraphernalia relating to the consumption of marijuana to alleviate a registered qualifying patient's debilitating medical condition or symptoms associated with the medical condition.

"Net patient revenue" means the gross amount received on a cash basis by a compassion center net of returns and allowances.

"Practitioner" means a person who is licensed with authority to prescribe drugs pursuant to chapter 37 of title 5 or a physician licensed with authority to prescribe drugs in Massachusetts or Connecticut.

"Primary caregiver" means either a natural person who is at least twenty-one (21) years old or a compassion center. Unless the primary caregiver is a compassion center, a natural primary caregiver may assist no more than five (5) qualifying patients with their medical use of marijuana.

"Qualifying patient" means a person who has been diagnosed by a practitioner as having a debilitating medical condition and is a resident of Rhode Island.

~~"Surcharge" means the assessment that is imposed upon net patient revenue pursuant to this chapter. Any term not defined in this chapter shall have the same meaning as used in chapter 28.6 of title 21.~~

~~**RULE 6. COMPASSION CENTER SURCHARGE**~~

~~A surcharge at a rate of four percent (4.0%) shall be imposed upon the net patient revenue received each month by every compassion center. Every compassion center shall pay the monthly surcharge to the tax administrator no later than the twentieth (20th) day of the month following the month that the net patient revenue was received. This surcharge shall be in addition to any other authorized fees that have been assessed upon a compassion center.~~

~~**Rule 7 Returns.**~~

~~(a) Every compassion center shall, on or before the twentieth (20th) day of the month following the month that the net patient revenue is received, make a return to the tax administrator.~~

~~(b) Compassion centers shall file their returns on a form as prescribed by the tax administrator containing data for the correct computation of net patient revenue and the surcharge. If a return shows an overpayment of the surcharge due, the tax administrator shall refund or credit the overpayment to the compassion center.~~

~~(c) The tax administrator, for good cause shown, may extend the time within which a compassion center is required to file a return. If the return is filed during the period of extension, no penalty or late filing charge may be imposed for failure to file the return at the time required by this chapter, but the compassion center shall be liable for any interest as prescribed in this chapter. Failure to file the return during the period for the extension shall make the extension null and void and appropriate penalty or late filing charge may be imposed.~~

~~**Rule 8 Set-off for delinquent payment of surcharge**~~

~~If a compassion center shall fail to pay a surcharge, penalty or late filing charge within thirty (30) days of its due date, the tax administrator may request any agency of state government to set off the amount of the delinquency against any payment they might be due the compassion center from the agency and to remit any such payment to the tax administrator. Upon receipt of a request for set-off from the tax administrator, any agency of state government is authorized and empowered to set-off the amount of any delinquency against any payment that is due the compassion center. The amount of set-off shall be credited against the surcharge, penalty or late filing charge due from the compassion center.~~
