FISCAL IMPACT					
State Revenues		***State Expenditures***		***City/Town Expenditures***	
FY 2023	$0	FY 2023	Indeterminate*	FY 2023	$0
FY 2024	$0	FY 2024	Indeterminate*	FY 2024	$0

Summary of Policy Change: Effective 1/1/23, the SUPPORT Act directed states to provide Medicaid eligibility for individuals turning 18 after January 1, 2023 who qualify under the former foster care children (FFCC) eligibility group if they were enrolled in Medicaid at the time they aged out of the foster care system in any state. Previously, this only applied to individuals who aged out of the Rhode Island foster care system.

This regulation is being amended to reflect this change in policy

Summary of State Fiscal Impact: Because the State cannot accurately forecast the future number of former foster care youth from other states that relocate to Rhode Island and will apply for Medicaid benefits here, the fiscal impact for this associated with this change is indeterminate and very likely negligible.

City or Town Impact: None
