RE: Lead Hazard Reduction 860-RICR-00-00-4

As of the above date, the Housing Resources Commission has received one (1) public comment regarding the changes to Lead Hazard Reduction 860-RICR-00-00-4 rules & regulations. This comment came from Green & Healthy Homes Initiative Rhode Island. It was forwarded to Rhode Island Housing who then reviewed the communication and found there to be no substantive changes to be made.
