Section 1—General Provisions

100 Policy statement. The administration of the UCC has an important impact on the economy and upon the rights of the public, in this state and in the United States. The volume of international, interstate and multistate transactions pursuant to the UCC requires that the administration of the UCC be conducted in a manner that promotes both local and multi-jurisdictional commerce by striving for uniformity in policies and procedures among the various states.

As provided in Section 9-526 of the UCC, the interpretation and implementation of the filing office's duties and responsibilities shall be expressed in a written set of administrative rules, which the public shall have a voice in creating. Such rules have the following purposes:

To simplify and improve the administration of the UCC by promoting uniform UCC filing procedures in this state and in the nation;

To simplify the public's ability to discover and understand the UCC filing procedures of the various states by establishing a uniform framework for describing the procedures;

To increase public access to information;

To increase public participation in the formulation of administrative policy and procedures; and

To increase public accountability of the filing officer.

101 Definitions. The following words and terms shall have the respective meanings provided in this rule. Words and terms not defined in this rule which are defined in the UCC shall have the respective meanings accorded such terms in the UCC.

101.1 “Amendment” means a UCC document that purports to amend the information contained in a financing statement. Amendments include assignments, continuations and terminations.

101.2 “Assignment” is an amendment that purports to reflect an assignment of all or a part of a secured party’s power to authorize an amendment to a financing statement.

101.3 “Continuation” means an amendment that purports to continue the effectiveness of a financing statement.

101.4 “Correction statement” means a UCC document that purports to indicate that a financing statement is inaccurate or wrongfully filed.

~~101.5 "File number" means the unique identifying information assigned to an initial financing statement by the filing officer for the purpose of identifying the financing~~

~~statement and UCC documents relating to the financing statement in the filing officer's information management system. For a financing statement with an initial financing statement filed on or after January 1, 2006, the file number shall include a digit that: (1) is mathematically derived from or related to the other digits of the file number; and (2) aids the filing office in determining whether a number communicated as the file number includes a single digit or transpositional error.~~

~~101.6 "Filing office" and "filing officer" mean Office of the Secretary of State.~~

~~101.7 "Financing statement" means a record or records composed of an initial financing statement and any filed record(s) relating to the initial financing statement.~~

~~101.8 "Individual" means a human being, or a decedent in the case of a debtor that is such decedent's estate.~~

~~101.9 "Information Management System" means the body of information containing the UCC records, index and related database maintained by the office of the Secretary of State, including without limitation, all UCC documents relating to any given file number. The requirements for the forms and administration of the records, index and database maintained within this Information Management System may be restructured and/or revised from time to time in conformity with Revised Article 9, as enacted in this State, and these Administrative Rules, as otherwise promulgated and revised from time to time by the Office of the Secretary of State.~~

~~101.10 "Initial financing statement" means a UCC document that does not identify itself as an amendment or identify an initial financing statement to which it relates, as required by UCC Section 9-512, 9-514 or 9-518.~~

~~101.11 "Lapse date" means a lapse date calculated for each initial financing statement (unless the debtor is indicated to be a transmitting utility). The lapse date is the same date of the same month as the filing date in the fifth year after the filing date or relevant subsequent fifth anniversary thereof if a timely continuation statement is filed. If the initial financing statement indicates that it is filed with respect to a public finance transaction or a manufactured home transaction, the lapse date is the same date of the same month as the filing date in the thirtieth year after the filing date. If there is no timely filing of a continuation, the financing statement will be indicated as "lapsed" after midnight at the end of the lapse date. The relevant anniversary for a February 29 filing date shall be the March 1 in the fifth or thirtieth year following the year of the filing date depending upon the type of transaction.~~

~~101.12 "Organization" means a legal person who is not an individual under rule 101.8.~~

~~101.13 “Organizational number” means the identifying number issued to an entity upon the formation of that entity by the filing office in the jurisdiction of formation.~~

~~101.14 "Remitter" means a person who tenders a UCC document to the filing office for filing, whether the person is a filer or an agent of a filer responsible for tendering the document for filing. "Remitter" does not include a person responsible merely for the delivery of the document to the filing office, such as the postal service or a courier service but does include a service provider who acts as a filer's representative in the filing process.~~

~~101.15 "Secured party of record" means, a secured party or a representative of the secured party shown in the filing office's record keeping system as the then currently active secured party with respect to a financing statement. If an amendment is filed under UCC Section 9-514(b), the assignee named in the amendment is a secured party of record. A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.~~

~~101.16 "Termination" means an amendment intended to indicate that the related financing statement has ceased to be effective with respect to the secured party authorizing the termination.~~

~~101.17 "UCC" means the Uniform Commercial Code as adopted in this state and in effect from time to time.~~

~~101.18 "UCC document" means an initial financing statement, an amendment, an assignment, a continuation, a termination or a correction statement. (Note: this definition is used for the purpose of these rules only. The use of the term "UCC document" in these rules has no relation to the definition of the term "document" in UCC Section 9-102(a)(30).)~~

~~102 Singular and plural forms. Singular nouns shall include the plural form, and plural nouns shall include the singular form, unless the context otherwise requires.~~

~~103 Place to file. The filing office is the office for filing UCC documents relating to all types of collateral except for timber to be cut, as extracted collateral as defined in UCC Section 9-102(a)(6) and, when the relevant financing statement is filed as a fixture filing, goods which are or are to become fixtures. Regardless of the nature of the collateral, the filing office is the office for filing all UCC documents where the debtor is a transmitting utility.~~

~~104 Filing office identification. In addition to the promulgation of these rules, the filing office will disseminate information of its location, mailing address, telephone and fax number, and its internet and other electronic "addresses" through usual and customary means.~~

- ~~202.1~~ — Debtor name and address. An initial financing statement or an amendment that purports to add a debtor shall be refused if the document fails to include a legible debtor name and address for a debtor, in the case of an initial financing statement, or for the debtor purporting to be added in the case of such an amendment. If the document contains more than one debtor name or address and some names or addresses are missing or illegible, the filing officer shall index the legible name and address pairings, and provide a notice to the remitter containing the file number of the document, identification of the debtor name(s) that was (were) indexed, and a statement that debtors with illegible or missing names or addresses were not indexed.
 - ~~202.2~~ — Additional debtor identification. An initial financing statement or an amendment adding one or more debtors shall be refused if the document fails to identify whether each named debtor (or each added debtor in the case of such an amendment) is an individual or an organization, if the last name of each individual debtor is not identified, or if, for each debtor identified as an organization, the document does not include in legible form the organization's

~~type, state of organization and organization number (if it has one) or a statement that it does not have one.~~

- 202.3 Secured party name and address. An initial financing statement, an amendment purporting to add a secured party of record, or an assignment, shall be refused if the

~~document fails to include a legible secured party (or assignee in the case of an assignment) name and address. If the document contains more than one secured party (or assignee) name or address and some names or addresses are missing or illegible, the filing officer shall index the legible name and address pairings and provide notice to the remitter containing the file number of the document, identification of the secured party or assignee names that were indexed, and a statement that secured parties with illegible or missing names or addresses were not indexed.~~

- 202.4 ~~Lack of identification of initial financing statement. A UCC document other than an initial financing statement shall be refused if the document does not provide a file number of a financing statement in the UCC information management system that has not lapsed.~~
- 202.5 ~~Identifying information. A UCC document that does not identify itself as an amendment or identify an initial financing statement to which it relates, as required by Section 9-512, 9-514 or 9-518, is an initial financing statement.~~
- 202.6 ~~Timeliness of continuation. A continuation shall be refused if it is not received during the six month period concluding on the day upon which the related financing statement would lapse.~~
- 202.6.1 ~~First day permitted. The first day on which a continuation may be filed is the date of the month corresponding to the date upon which the financing statement would lapse, six months preceding the month in which the financing statement would lapse. If there is no such corresponding date during the sixth month preceding the month in which the financing statement would lapse, the first day on which a continuation may be filed is the last day of the sixth month preceding the month in which the financing statement would lapse, although filing by certain means may not be possible on such date if the filing office is not open on such date.~~
- 202.6.2 ~~Last day permitted. The last day on which a continuation may be filed is the date upon which the financing statement lapses.~~
- 202.7 ~~Fee. A document shall be refused if the document is accompanied by less than the full filing fee tendered by a method described in rule 113.~~
- 202.8 ~~Means of communication. UCC documents communicated to the filing office by a means of communication not authorized by the filing officer for the communication of UCC documents shall be refused.~~

Number 202.9 is reserved.

~~203~~—~~Grounds not warranting refusal.~~ The sole grounds for the filing officer's refusal to accept a UCC document for filing are enumerated in rule 202. The following are examples of defects that do not constitute grounds for refusal to accept a document. They are not a comprehensive enumeration of defects outside the scope of permitted grounds for refusal to accept a UCC document for filing.

203.1 Errors. The UCC document contains or appears to contain a misspelling or other apparently erroneous information.

203.2 Incorrect names.

203.2.1 The UCC document appears to identify a debtor incorrectly.

203.2.2 The UCC document appears to identify a secured party or a secured party of record incorrectly.

203.3 Extraneous information. The UCC document contains additional or extraneous information of any kind.

203.4 Insufficient information. The UCC document contains less than the information required by Article 9 of the UCC, provided that the document contains the information required in rule 202.1 through 202.5.

203.5 Collateral description. The UCC document incorrectly identifies collateral, or contains an illegible or unintelligible description of collateral, or appears to contain no such description.

203.6 Excessive fee. The document is accompanied by funds in excess of the full filing fee.

~~204~~—Time limit. The filing officer shall determine whether criteria exist to refuse acceptance of a UCC document for filing not later than the second business day after the date the document would have been filed had it been accepted for filing and shall index a UCC document not so refused within the same time period.

~~205~~—Procedure upon refusal. If the filing officer finds grounds under rule 202 to refuse acceptance of a UCC document, the filing officer shall return the document, if written, to the remitter and will refund the filing fee. The filing office shall send a notice that contains the date and time the document would have been filed had it been accepted for filing (unless such date and time are stamped on the document), and a brief description of the reason for refusal to accept the document under rule 202. The notice shall be sent to a

~~secured party or the remitter as provided in rule 401.3.2 no later than the second business day after the filing office receives the document.~~

- ~~206~~ Acknowledgment. At the request of a filer or remitter who files a paper or paper-based UCC document, the filing officer shall either (i) send to said filer or remitter a photostatic copy of the record of the UCC document showing the file number assigned to it and the date and time of filing or, (ii) if such filer or remitter provides a copy of such UCC document, note the file number and the date and time of filing on the copy and deliver or send it to said filer or remitter.
- ~~207~~ Other notices. Nothing in these rules prevents a filing officer from communicating to a filer or a remitter that the filing officer noticed apparent potential defects in a UCC document, whether or not it was filed or refused for filing. However, the filing office is under no obligation to do so and may not, in fact, have the resources to do so or to identify such defects. **THE RESPONSIBILITY FOR THE LEGAL EFFECTIVENESS OF FILING RESTS WITH FILERS AND REMITTERS AND THE FILING OFFICE BEARS NO RESPONSIBILITY FOR SUCH EFFECTIVENESS.**
- ~~208~~ Refusal errors. If a secured party or a remitter demonstrates to the satisfaction of the filing officer that a UCC document that was refused for filing should not have been refused under rule 202, the filing officer will file the UCC document as provided in these rules with a filing date and time assigned of when such filing was wrongfully refused. The filing officer will also file a statement (and such demonstration of error shall constitute the secured party's authorization to do so) that states that the effective date and time of filing is the date and time the UCC document was originally tendered for filing, and sets forth such date and time.

Numbers 209 through 299 are reserved.

Section 3 — UCC Information Management System

- ~~300~~ Policy statement. The filing officer uses an information management system to store, index, and retrieve information relating to financing statements. The information management system includes an index of the names of debtors named on financing statements which have not lapsed. The rules in this section describe the UCC information management system.
- ~~301~~ Primary data elements. The primary data elements used in the UCC information management system are the following.

301.1 Identification numbers

301.1.1 ~~Each initial financing statement is identified by its file number as described in rule 101.5. A file number for the initial financing statement is permanently associated with the record maintained for UCC documents in the UCC information management system. A record is created in the information management system for each~~

~~initial financing statement and all information comprising such record is maintained in such system. Such record is identified by the same information assigned to the initial financing statement.~~

- 301.1.2 A UCC document other than an initial financing statement is identified by a unique file number assigned by the filing officer. In the information management system, records of all UCC documents other than initial financing statements are linked to the record of their related initial financing statement.
- 301.2 Type of document. The type of UCC document from which data is transferred is identified in the information management system from information supplied by the remitter.
- 301.3 Filing date and filing time. The filing date and filing time of UCC documents are stored in the information management system. Calculation of the lapse date of an initial financing statement is based upon the filing date.
- 301.4 Identification of parties. The names and addresses of debtors and secured parties are transferred from UCC documents to the UCC information management system using one or more data entry or transmittal techniques.
- 301.5 Status of financing statement. In the information management system, each financing statement has a status of active with the exception of those records maintained for the statutory one (1) year after they have lapsed.
- 301.6 Page count. The total number of pages in a UCC document is maintained in the information management system.
- 301.7 Lapse indicator. An indicator is maintained by which the information management system identifies whether or not a financing statement will lapse and, if it does, when it will lapse. The lapse date is determined as provided in rule 404.
- 302 Names of debtors who are individuals. For the purpose of this rule, "individual" means a human being, or a decedent in the case of a debtor that is such decedent's estate. This rule applies to the name of a debtor or a secured party on a UCC document who is an individual.
- 302.1 Individual name fields. The names of individuals are stored in the files that include only the names of individuals, and not the names of organizations. Separate data entry fields are established for first (given), middle (given), and last names (surnames or family names) of individuals. A filer should place the name of a

~~debtor with a single name (e.g., "Cher") in the last name field. The filing officer assumes no responsibility for the accurate designation of the components of a name but will accurately enter the data in accordance with the filer's designations.~~

~~302.2 Title and prefixes before names.~~ Title and prefixes, such as "doctor", "reverend", "Mr.", and "Mrs." Should not be entered into the UCC information management system. However, as provided in rule 407, when a UCC document is submitted with designated name fields, the data will be entered in the UCC information management system exactly as it appears.

~~302.3 Titles and Suffixes after names.~~ Titles or indications of status such as "M.D." and "esquire" are not part of an individual's name and should not be provided by filers in UCC documents. Suffixes that indicate which individual is being named, such as "senior", "junior", "I", "II" and "III" are appropriate. In either case, as provided in rule 407, they will be entered into the information management system exactly as received.

~~302.4 Truncation individual names.~~ Personal name fields in the UCC database are fixed in length. Although filers should continue to provide full names on their UCC documents, a name that exceeds the fixed length is entered as presented to the filing officer, up to the maximum length of the data entry field. The lengths of data entry fields are as follows:

302.4.1 First Name	25 characters
302.4.2 Middle Name	25 characters
302.4.3 Last Name	35 characters
302.4.4 Suffix	10 characters

~~303 Names of debtors that are organizations.~~ This rule applies to the name of an organization who is a debtor or a secured party on a UCC document.

~~303.1 Single Field.~~ The names of organizations are stored in the field that include only the names of organizations and not the names of individuals. A single field is used to store an organization name.

~~303.2 Truncation organization names.~~ The organization name field in the UCC database is fixed in length. The maximum length is 175 characters. Although filers should continue to provide full names on their UCC documents, a name that exceeds the fixed length is entered as presented to the filing officer, up to the maximum length of the data entry field.

~~304 Estates.~~ Although they are not human beings, estates are treated as if the decedent were the debtor under rule 302.

305 ~~Trusts. If the trust is named in its organic document(s), its full legal name, as set forth in such document(s), is used. Such trusts are treated as organizations. If the trust is not so named, the name of the settlor is used. If a settlor is indicated to be an organization, the name~~

~~is treated as an organization name. If the settlor is an individual, the name is treated as an individual name. A UCC document that uses a settlor's name should include other information provided by the filer to distinguish the debtor trust from other trusts having the same settlor and all financing statements filed against trusts or trustees acting with respect to property held in trust should indicate the nature of the debtor.~~

306 Initial financing statement Upon the filing of an initial financing statement the status of the parties and the status of the financing statement shall be as follows:

306.1 Status of secured party. Each secured party named on an initial financing statement shall be a secured party of record, except that if the UCC document names an assignee, the secured party/assignor shall not be a secured party of record and the secured party/assignee shall be a secured party of record.

306.2 Status of debtor. The status of a debtor named on the document shall be active and shall continue as active until one year after the financing statement lapses.

306.3 Status of financing statement. The status of the financing statement shall be active. A lapse date shall be calculated, five (5) years from the file date, unless the initial financing statement indicates that it is filed with respect to a public-financing transaction or a manufactured home transaction, in which case the lapse date shall be thirty (30) years from the file date, or if the initial financing statement indicates that it is filed against a transmitting utility, in which case there shall be no lapse date. A financing statement remains active until one year after it lapses, or if it is indicated to be filed against a transmitting utility, until one year after it is terminated with respect to all secured parties of record.

307 Amendment. Upon the filing of an amendment the status of the parties and the status of the financing statement shall be as follows:

307.1 Status of secured party and debtor. An amendment shall affect the status of its debtor(s) and secured party(ies) as follows:

307.1.1 Collateral amendment or address change. An amendment that amends only the collateral description or one or more addresses has no effect upon the status of any debtor or secured party. If a statement of amendment is authorized by less than all of the secured parties (or, in the case of an amendment that adds collateral, less than all of the debtors), the statement affects only the interests of each authorizing secured party (or debtor).

307.1.2 Debtor name change. An amendment that changes a debtor's name has no effect on the status of any debtor or secured party, except that the related initial financing statement and all UCC documents that

~~include an identification of such initial financing statement shall be cross-indexed in the UCC information management system so that a search under either the debtor's old name or the debtor's new name will reveal such initial financing statement and such related UCC documents. Such a statement of amendment affects only the rights of its authorizing secured party(ies).~~

- 307.1.3 ~~Secured party name change. An amendment that changes the name of a secured party has no effect on the status of any debtor or any secured party, but the new name is added to the index as if it were a new secured party of record.~~
- 307.1.4 ~~Addition of a debtor. An amendment that adds a new debtor name has no effect upon the status of any party to the financing statement, except the new debtor name shall be added as a new debtor on the financing statement. The addition shall affect only the rights of the secured party(ies) authorizing the statement of amendment.~~
- 307.1.5 ~~Addition of a secured party. An amendment that adds a new secured party shall not affect the status of any existing party to the financing statement, except that the new secured party name shall be added as a new secured party on the financing statement and such addition shall not affect the rights of any existing secured party or any secured party not authorizing the amendment.~~
- 307.1.6 ~~Deletion of a debtor. An amendment that deletes a debtor has no effect on the status of any party to the financing statement, even if the amendment purports to delete all debtors.~~
- 307.1.7 ~~Deletion of a secured party. An amendment that deletes a secured party of record has no effect on the status of any party to the financing statement, even if the amendment purports to delete all secured parties of record.~~
- 307.2 ~~Status of financing statement. An amendment shall have no effect upon the status of the financing statement, except that a continuation may extend the period of effectiveness of a financing statement.~~

308 Assignment of powers of secured party of record.

~~308.1 Status of the parties. An assignment shall have no effect on the status of the parties to the financing statement, except that each assignee named in the assignment shall become a secured party of record.~~

~~308.2 Status of financing statement. An assignment shall have no effect upon the status of the financing statement.~~

~~309 Continuation.~~

~~309.1 Continuation of lapse date. Upon the timely filing of one or more continuations by any secured party(ies) of record, the lapse date of the financing statement shall be postponed for five years.~~

~~309.2 Status of parties. The filing of a continuation shall have no effect upon the status of any party to the financing statement.~~

~~309.3 Status of financing statement. Upon the filing of a continuation statement, the status of the financing statement remains active.~~

~~310 Termination.~~

~~310.1 Status of parties. The filing of a termination shall have no effect upon the status of any party to the financing statement.~~

~~310.2 Status of financing statement. A termination shall have no effect upon the status of the financing statement and the financing statement shall remain active in the information management system until one year after it lapses, unless the termination relates to a financing statement that indicates it is filed against a transmitting utility, in which case the financing statement will become inactive one (1) year after it is terminated with respect to all secured parties of record.~~

~~311 Correction statement.~~

~~311.1 Status of parties. The filing of a correction statement shall have no effect upon the status of any party to the financing statement.~~

~~311.2 Status of financing statement. A correction statement shall have no effect upon the status of the financing statement.~~

~~312 Procedure upon lapse. If there is no timely filing of a continuation with respect to a financing statement, the financing statement lapses on its lapse date but no action is then taken by the filing office. On the first anniversary of such lapse date, the information management system renders or is caused to render the financing statement inactive and the financing statement will no longer be made available to a searcher unless inactive~~

~~statements are requested by the searcher and the financing statement is still retrievable by the information management system.~~

Section 4 — Filing and Data Entry Procedures.

- 400 — Policy statement. This section contains rules describing the filing procedures of the filing officer upon and after receipt of a UCC document. It is the policy of the filing officer to promptly file a document that conforms to these rules. Except as provided in these rules, data is transferred from a UCC document to the information management system exactly as the data is set forth in the document. Personnel who create reports in response to search requests type search criteria exactly as set forth on the search request. No effort is made to detect or correct errors of any kind.
- 401 — Document indexing and other procedures. The Information Management System referenced herein may be restructured and/or revised at any time in a manner consistent with applicable law and administrative rules and regulations promulgated by the Office of the Secretary of State.
- 401.1 — Date and time stamp. The date and time of receipt shall be permanently associated with the record maintained for a UCC document in the UCC information management system at the earliest possible time.
- 401.2 — Cash management. Transactions necessary to payment of the filing fee are performed.
- 401.3 — Document review. The filing office determines whether a ground exists to refuse the document under rule 202.
- 401.3.1 — File stamp. If there is no ground for refusal of the document, a unique identification number and the filing date is permanently associated with the record of the document maintained in the UCC information management system. The sequence of the

~~identification number is not an indication of the order in which the document was received.~~

401.3.2 Correspondence. If there is a ground for refusal of the document,

~~notification of refusal to accept the document is prepared as provided in rule 205. If there is no ground for refusal of the document, an acknowledgement of filing is prepared as provided in rule 206. If the UCC document was tendered in person, notice of refusal or acknowledgment of the filing is given to the remitter by personal delivery. Acknowledgment of filing or notice of refusal of a UCC document tendered by means other than personal delivery is sent to the secured party (or the first secured party if there are more than one) named on the UCC document or to the remitter if the remitter so requests by regular mail or by overnight courier if the remitter provides a prepaid waybill or access to the remitter's account with the courier.~~

~~401.4 Data Entry. Data entry and indexing functions are performed as described in this Section according to rules 302, 303, 304 and 305.~~

~~402 Filing date. The filing date of a UCC document is the date the UCC document is delivered to the filing officer with the proper filing fee if the filing office is open to the public on that date or, if the filing office is not so open on that date, the filing date is the next date the filing office is so open, except that, in each case, UCC documents received after 4:30 P.M. shall be deemed received on the following day. The filing officer may perform any duty relating to the document on the filing date or on a date after filing date.~~

~~403 Filing time. The filing time of a UCC document is determined as provided in rule 106.~~

~~404 Lapse date and time. A lapse date is calculated for each initial financing statement (unless the debtor is indicated to be a transmitting utility). The lapse date is the same date of the same month as the filing date in the fifth year after the filing date or relevant subsequent fifth anniversary thereof if timely continuation statement[s] are filed, but if the initial financing statement indicates that it is filed with respect to a public finance transaction or a manufactured home transaction, the lapse date is the same date of the same month as the filing date in the thirtieth year after the filing date. The lapse takes effect at midnight at the end of the lapse date. The relevant anniversary for a February 29 filing date shall be the March 1 in the fifth year following the year of the filing date.~~

~~405 Errors of the filing officer. The filing office may correct the errors of filing officer personnel in the UCC information management system at any time. If the correction is made after the filing officer has issued a certification date that includes the filing date of a corrected document, the filing officer shall proceed as follows. A record relating to the relevant initial financing statement will be placed in the UCC information management~~

~~system stating the date of the correction and explaining the nature of the corrective action taken. The record shall be preserved for so long as the record of the initial financing statement is preserved in~~

~~the UCC information management system.~~

406 ~~Errors other than filing office errors. An error by a filer is the responsibility of such filer. It can be corrected by filing an amendment or it can be disclosed by a correction statement.~~

407 ~~Data Entry of names—designated fields. A filing should designate whether a name is a name of an individual or an organization. If the name is that of an individual, the filing should also designate the first, middle and last name and any suffix as described in section 302 of these rules. The following rules apply to the data entry of debtor names:~~

407.1 ~~Organization names. Organization names are entered into the UCC information management system exactly as set forth in the UCC document, even if it appears that multiple names are set forth in the document or if it appears that the name of an individual has been included in the field designated for an organization name.~~

407.2 ~~Individual names. With respect to a form that designates separate fields for first, Middle, and last names and any suffix, the filing officer enters the name into the first, middle, and last name and suffix fields in the UCC information management system exactly as set forth on the UCC document.~~

407.3 ~~Designated fields required. The filing office requires the use of forms that designate separate fields for individuals and organization names, and for individual names, separate fields for first, middle, and last names and any suffix. Such forms diminish the possibility of filing office error and help assure that filers' expectations are met. However, filers should be aware that the inclusion of names in an incorrect field or failure to transmit names accurately to the filing office may cause filings to be ineffective. All UCC documents transmitted in a method authorized in section 106 of these rules will require the use of designated name fields.~~

408 ~~Data entry of names no designated fields. A UCC document that fails to specify whether the the debtor is an individual or an organization will be refused by the filing office.~~

409 ~~Verification of data entry. The filing officer uses the following procedures to verify the accuracy of the tasks by visual inspection of the entries in the various fields.~~

409.1 ~~Name fields.~~

409.2 ~~Address fields.~~

410 — Initial financing statement. A new record is opened in the UCC information management system for each initial financing statement that bears the file number of the financing

~~statement and the date and time of filing.~~

410.1 The name and address of each debtor that are legibly set forth in the financing statement are entered into the record of the financing statement. Each such debtor name is included in the searchable index and is not removed until one year after the financing statement lapses. Debtor addresses might not be included in the searchable index except to the extent the filing office offers or intends to offer limited searches or limited copy requests as provided in rule 502.

410.2 The name and address of each secured party that are legibly set forth in the financing statement are thereby included in the record of the financing statement.

410.3 The record is indexed according to the name of the debtor(s) and numerically and is maintained for public inspection.

410.4 A lapse date is established for the financing statement, unless the initial financing statement indicates it is filed against a transmitting utility, and the lapse date is maintained as part of the record.

411 Amendment. A record is created for the amendment that bears the file number for the amendment and the date and time of filing.

411.1 The record of the amendment is associated with the record of the related initial financing statement in a manner that causes the amendment to be retrievable each time a record of the financing statement is retrieved.

411.2 The name and address of each additional debtor and secured parties are included in the UCC information management system in the record of the financing statement. Each such additional debtor name is added to the searchable index and are not removed until one year after the financing statement lapses. Debtor addresses might not be included in the searchable index except to the extent the filing office offers or intends to offer limited searches or limited copy requests as provided in rule 502.

411.3 If the amendment is a continuation, a new lapse date is established for the financing statement and maintained as part of its record.

412 Correction statement. The record of the correction statement is associated with the record of the related initial financing statement in a manner that causes the correction statement to be retrievable each time a record of the financing statement is retrieved.

413—Global Filings. Not available.

~~414 Archives -- general. Active filings are available by search of the debtor name or by request under a specific file number. Inactive records are available upon request by debtor name and by file number.~~

414.1 Paper UCC documents.

~~414.1.1 Storage. Documents are stored in alphabetical order by debtor name in file boxes.~~

~~414.1.2 Retention. Documents are stored on site for one year after the effectiveness of the financing statement has lapsed under Section 9.~~

~~515. After one year, documents are transported to the State Records Center for storage until disposal under the records retention schedule.~~

414.2 Reductions (Reserved).

~~414.2.1 Storage (Reserved)~~

~~414.2.2 Retention (Reserved)~~

~~414.3 Databases. Full Back-ups are scheduled every weekend. Incremental back-ups are performed on magnetic tape Monday through Thursday.~~

~~415 Archive Data Retention. Data in the UCC information management system relating to financing statements that have lapsed are retained in the system indefinitely.~~

~~416 Archival Searches. Terminated or lapsed filings may be searched by debtor name or by file number for a period of one year through normal search procedures.~~

~~417 Notice of bankruptcy. The filing officer shall take no action upon receipt of a notification, formal or informal, of a bankruptcy proceeding involving a debtor named in the UCC information management system. Accordingly, financing statements will lapse as scheduled unless properly continued.~~

Numbers 418 through 499 are reserved.

Section 5 — Search Requests and Reports

~~500 General requirements. The filing officer maintains for public inspection a searchable index for all records of UCC documents that provides for the retrieval of a record by the name of the debtor and by the file number of the initial financing statement to which the record relates and which associates with one another each initial financing statement and each filed~~

~~UCC document relating to the initial financing statement.~~

501 Search requests. Search requests shall contain the following information.

- Name searched. A search request should set forth the full correct name of a debtor or the name variant desired to be searched and must specify whether the debtor is an individual or an organization. The full name of an individual shall consist of a first name, a middle name or initial, and a last name, although a search request may be submitted with no middle name or initial and, if only a single name is presented (e.g., "Cher") it will be treated as a last name. The full name of an organization shall consist of the name of the organization as stated on the articles of incorporation or other organic documents in the state or country of organization or the name variant desired to be searched. A search request will be processed using the name in the exact form it is submitted.
- Requesting party. The name and address of the person to whom the search report is to be sent.
- Fee. The appropriate fee shall be enclosed, payable by a method described in rule 113.

~~Search request with filing. Deleted provision.~~

502 Optional information. A UCC search request may contain any of the following information.

- A request that copies of documents referred to in the report be included with the report. The request may limit the copies requested by limiting them to the city of the debtor or the date of filing. The request may ask for copies of UCC documents identified on the primary search response.
- A request that the search of a debtor name be limited to debtors in a particular city. Any search criterion that limits the scope of the search to a named debtor may result in an incomplete search (that fails to list all filings against the named debtor) and you may fail to learn information that might be of value to you.
- Instructions on the mode of delivery requested, if other than by ordinary mail, which request will be honored if the requested mode is then made available by the filing office.

503 Rules applied to search requests. The following, and only the following rules are applied to conduct searches.

- There is no limit to the number of matches that may be returned in response to the search criteria.
- No distinction is made between upper and lowercase letters.
- Punctuation marks and accents are disregarded.
- Words and abbreviations that indicate the existence or nature of an entity are disregarded (e.g., company, limited, incorporated, corporation, limited partnership, limited liability company or abbreviations of the foregoing).
- The word "the" at the beginning of the search criteria is disregarded.
- All spaces are disregarded.
- For the first and middle names of individuals, initials are treated as the logical equivalent of all names that begin with such initials, and first name and no middle name or initial is equated with all middle name and initials. For example, a search request for "John A Smith" would cause the search to retrieve all filings against all individual debtors with "John" as the initial "J" as the first name, "Smith" as the last name, and with the initial "A" or any name beginning with "A" in the middle name field or no name or initial in the middle name field. Additionally, a search request for "John Smith" (first and last names with no designation in the middle name field), would cause the search to retrieve all filings against individual debtors with "John" or the initial J as the first name, "Smith" as the last name and any name or initial or no name or initial in the middle name field.
- After using the preceding rules to modify the name to be searched, the search will reveal only names of debtors that are active in the UCC information management system that exactly match the name requested, as modified.
